Placement Cell - Annual Report

(2013-2018)

We take immense pleasure to report a highly successful placements season. The final placements season during the last five financial years was remarkable as we had a diverse mix of companies spread across various domains and functions, offering niche roles to the students. As always, Loyola remained the choice of recruiters for various roles in the areas of Operations, Consulting, Life Sciences, IT/Analytics, Finance, Journalism, Content Writing, Designing, Animation, Programming, Data Analysis. Every year we see a remarkable response from the Industry in terms of Final Placements and yet again made Loyola a force to reckon with amidst the Top most colleges in India.

We are proud to announce that majority of our recruiters who share a strong corporate relation and are impressed by the performance of our ever-strengthening alumni, re-visit our campus to hire the students. Defying all the economic uncertainty and the market conditions. Every year many new recruiters who have visited campus for the first time which includes prominent brands. Not only final years clients recruited some second-year students for internship programs.

The lasting effects of our institute's past accomplishments stand as testaments to our growing success. The industry has shown their approval and appreciation for most of our programs offered at Loyola which is specially designed to groom budding business professionals into true management leaders by imparting quality education, training them to challenge the conventional and think innovatively.

Placement Cell:

The Placement Cell has been set up in the college to offer to the students as sense of direction and an exposure to the range of openings and job possibilities available to them as they pass out of the college. The Cell, it is envisaged, will not limit itself to becoming the run-of-the-mill 'placement' center where students may just get connected with possible employers but our objective includes emphasis on creating young, vibrant and dedicated managers and leaders by conducting training sessions and with continuous innovation in our academic curricula, this trend of getting our students "industry ready" will only intensify, resulting in a vibrant and self-sustaining Placement Calendar, both for Final Placements and meaningful Summer Internship Program's for our students.

Collaboration with TASK: We have collaboration with TASK(Telangana Academy for Skill & knowledge) for skilling the students for placement assistance. Every year 2 to 5 companies visit through TASK to hire students. Students who register with TASK will be provided training on Online test, Soft Skills training etc.,

Functioning of Placement Cell:

Every Academic Year the Placement Cell started functioning with a very clear objective of ensuring a higher placement record and a better reach to the students of the college. To facilitate this objective, a Committee will be appointed in the beginning of the year and the meeting is held every year in the first week of June to discuss the Placement Activities for the last year, the challenges faced and to arrive at the plan and actions to be performed for the upcoming year and also discuss and finalize the measures to improve placement opportunities for the students.

The cell subsequently conducts ‘Placement Awareness Sessions’ under which, the Placement officers visits each class of final years to give a short presentation on the Placement Cell and its planned activities for the current year. This ensured that the students were well informed about the placement activities of the college and their contribution. We also conduct sessions for all the final year students on the following to make them prepare for interview:

- 1) Resume/ Profile Making
- 2) Interview Etiquettes – Do’s and Dont’s.
- 3) Interview Questions
- 4) Personality Development
- 5) GD – Tips, Rules and how to crack the GD’s
- 6) Telephonic Interview – Tips, Do’s & Dont’s
- 7) Email Etiquettes
- 8) Mock Interview Sessions on – JAM, GD and Self Introduction.
- 9) Conducted MOOCS Training thru Task for all the BSC Students.

As we move forward, our emphasis will continue being on creating young, vibrant and dedicated managers and leaders. With continuous innovation in our academic curricula, this trend of getting our students “industry ready” will only intensify, resulting in a vibrant and self-sustaining Placement Calendar, both for Final Placements and meaningful Summer Internship Program’s for our students.

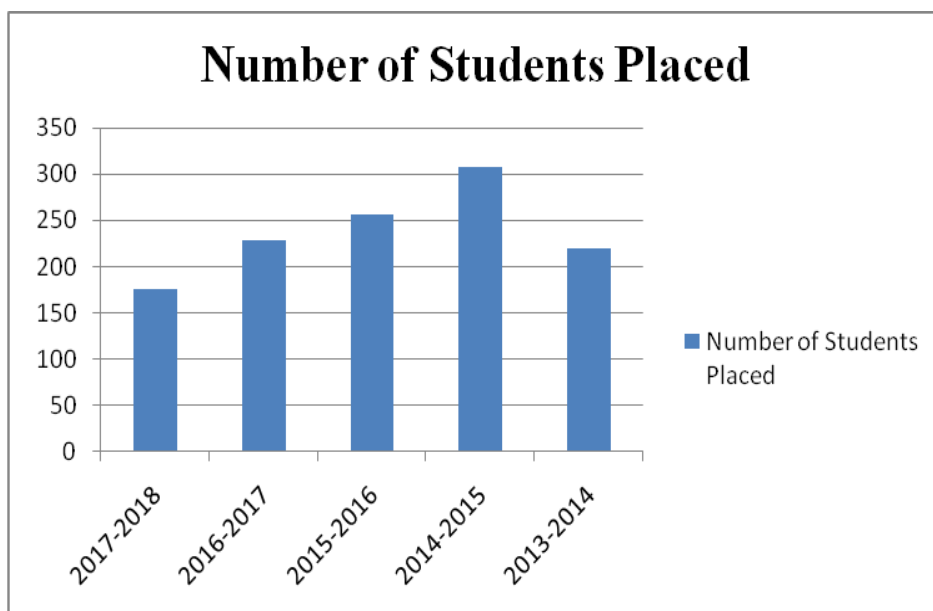

LOYOLA ACADEMY PLACEMENTS REPORT FOR 2013-2018

5.2.1 Average percentage of placement of outgoing students during the last five years

YEAR	2017-2018	2016-2017	2015-2016	2014-2015	2013-2014
NUMBER	176	232	257	308	219

S.No.	Year	No. of .Students Placed	Number of Students Registered	Percentage of Students Benefited
