

SOFT SKILLS

Soft skills

Course title: Soft Skills

Instructional Method: Hybrid (Offline & Online)

No. of sessions assessed: 5

No. of sessions were taught: 20

Term: I Semester (2021)

No of students benefitted: 1634

Report:

Soft skills course was introduced for first year Science, Commerce and Arts students of Loyola Academy. The classes were conducted in the sixth hours, after their regular classes, in a hybrid mode. The objective of these classes was to enhance student's language skills (Listening Speaking, Reading, Writing) along with leadership skills, and decision making, and other soft skills in each context. To achieve this goal, appropriate material was prepared and introduced to the students, and the topics were paired with activities designed to help students have a better understanding of the topics. Some specific examples of related lectures and exercises (included various assignments) were also provided to students, in addition to assignments teachers have given activities and worksheets to students which covered a wide range of topics in the syllabus namely:

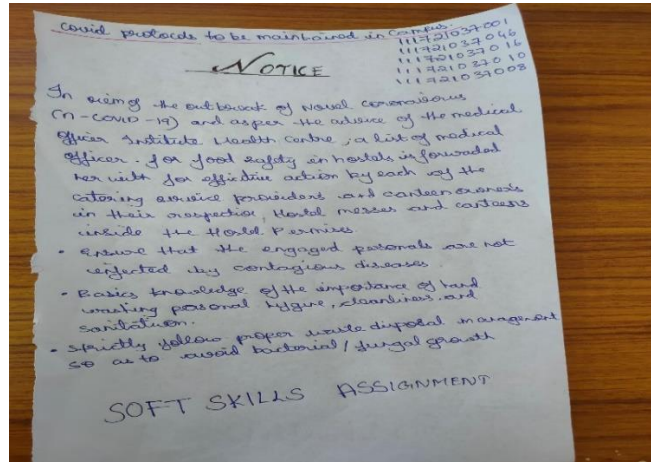

1. Verbal and non-verbal communication skills
2. Active listening
3. Vocabulary building
4. Teamwork
5. Time management
6. Confidence building and attitude tuning
7. Negotiation and conflict resolution
8. Job skills: resume writing, interview, group discussion

Teachers were provided with rubrics for sessions and assessments. They assessed students using activities based on Listening, Speaking, Reading and Writing, and time bond activities. Teachers worked with students in groups and one-on-one, providing verbal and written feedback on their work: the feedback was designed to encourage students to identify problems and devise their own solutions. The outcome of the course was that the students were able to understand the importance of soft skills and apply these skills in their practical life. Students performed well in various tasks which were assigned to them. The learning outcome of this course had met the goals which were set initially when the course was introduced.

NOTICE

Dear Students,

We are happy to inform you that the Department of B.Com. Business Analytics has initiated "Kaffeeklatsch" in the academic year 2021-22. It will be held on 18th November 2021 in Inigo Hall at Loyola Academy. It is an intra college formal panel discussion or Group discussion event.

Time: 9:00 a.m. to 1:00 p.m.
Students should come with pen and book.

(Fr-Dr L. Joji Reddy SJ)

Department of B. Com Business Analytics has initiated "Kaffeeklatsch" in the academic year 2021-22. It was organized on 18th November 2021 in Inigo Hall in Loyola Academy. It is a formal panel discussion or Group discussion event. Group discussion is an important activity in academic, business, and administrative spheres. Here the exchange of ideas, thoughts and feelings take place through oral communication.

5.1.3. Capacity Development and Skill Enhancement Activities (2021-22)

Objectives of the Event:

The objective of a selection in “Kaffeeklatsch” (GD) is mainly to check your team playing skills. You have to understand the other persons’ point of view, while making your point and ensuring that your team reaches a solution or agreement that is both feasible and accepted by all team members. There are four major areas of evaluation in selection GDs: subject knowledge, oral communication skills, leadership skills and team management.

The Context:

It is an effective tool in problem solving, decision making and personality assessment. GD skills may ensure academic success, popularity and good admission or job offer. Thus, it is important to be able to take part in a GD effectively and confidently. Participants should know how to speak with confidence, how to exhibit leadership skills and how to make the group achieve the goals.

Proceedings of the Event

The panel which normally comprises subject experts of the college will observe and evaluate the members of the team. The rules of the GD – the time limit, panel’s expectations etc. are explained after the initial introduction by the panel, soon after the topic or case to be discussed is given to the group members. The panel does not interfere during the discussion, it only observes. The panel at its discretion may provide some time to think over the topic or may ask them to start immediately. Each candidate is supposed to express their opinion either supporting or against the topic. The discussion carries on till the panel signals termination. It is left to the discretion of the panel to extend or cut short the given time.

The event started with the morning prayer, at 10 am. After the prayer, the judges of the event were welcomed. Kaffeeklatsch panel discussion was judged by the judges; Dr. Jacqueline Williams, Dean of commerce and Mrs. Alekhya, HOD of Dept. of B. Com Business Studies, under the supervision of Mrs. T. Swarna, HOD of Dept. of B. Com Business Analytics.

At 10:30 am, the Group discussion event started with 12 participants from different departments. The topic for the GD was “Digital Transformation”. All the participants gave their best performance and expressed their ideas, knowledge, and feelings well. Through the GD, everyone presents their new insight and knowledge on the topic.

Finally, 3 participants won the prizes because of their wonderful performance and for talking out their thoughts in the best way possible.

After the results and prize distribution, at 1pm, the Guest lecture session started.

Learning Outcome :

The following qualities were nurtured among students:

- Team player
- Reasoning
- Leadership
- Flexible
- Assertiveness

5.1.3. Capacity Development and Skill Enhancement Activities (2021-22)

- Initiative
- Creativity (out of the box thinking)
- Inspiring ability

5.1.3. Capacity Development and Skill Enhancement Activities (2021-22)

Public speaking and soft skills (CC Course)

Objective: Take the time to watch other speakers who are good at what they do. Practice imitating their style and confidence.

Outcome: Organize your talk. Every speech should have an introduction, a body, and a conclusion. Structure your talk so that the other students know what to expect.

LIFE SKILLS

5.1.3. Capacity Development and Skill Enhancement Activities (2021-22)

Yoga (CC Course)

Objective: The art of practicing yoga helps in controlling an individual's mind, body, and soul. It brings together physical and mental disciplines to achieve a peaceful body and mind; it helps manage stress and anxiety and keeps you relaxing. It also helps in increasing flexibility, muscle strength and body tone.

Outcome: Demonstrate basic skills associated with yoga activities including strength and flexibility, balance and coordination. Demonstrate the ability to perform yoga movements in various combination and forms.

NOTICE

All the faculty and students of Department of Food technology & Management are notified that an online webinar on Challenges and Opportunities in Food Safety will be organized on 4th September 2021 through Microsoft Teams. Ms. Pavitra K, Consultant, Food Safety and Hygiene Audits, Training, Consultation and Guidance for Certification will guide the participants.

(Fr. Dr. L. Joji Reddy SJ)

Topic:

The Webinar on Challenges and Opportunities in Food Safety was held on 4th September 2021, it was organized for the department of Food technology where the guest speaker for the online webinar was Ms. Pavitra K, who is qualified with many degrees and certified with Consulting, Food Safety and Hygiene Audits, Training, Consultation and Guidance for Certification, Coordination with the External Agencies and Suppliers and Co-ordination for Certifications and Accreditation. As per our guest lecturer, food safety and standards is one of the important aspects, Not only in the food industries but also in our daily life. The important points she mentioned through her lecture are:-

5.1.3. Capacity Development and Skill Enhancement Activities (2021-22)

Food safety will be indispensable in the future

- We are concerned about what goes into our body and the condition in which the food is prepared.
- Investing in food safety and hygiene practice will in turn boost customer's confidence and grow your business.

Post COVID era, there will be a lot of emphasis on Food Safety and Hygiene Practice, to prevent contagions. (Even through scientifically, it is not proved that the virus can spread through food)

NOTICE

This is to inform that Department of Food Science, Nutrition & Dietetics is celebrating National Nutrition week on 17th September 2021, from 10:00 a.m. onwards in Loyola Academy. The guest speaker is Dr. C. Anjali Devi, Retd Professor, Dept of Food & Nutrition, OU. All the students and staff are welcome.

(Fr-Dr L. Joji Reddy S.J.)

Introduction: National Nutrition week was celebrated by the Department of Food Science, Nutrition and Dietetics on 17th September 2021, from 10 am onwards in Loyola Academy. The total number of participants for the event are 151.

Purpose: The event started by the welcoming and the introduction by the emcees on why is 'nutritional month' celebrated. The main reason was to make people more aware about the problem of malnourishment in India. The programme began with the skit, where students tried to convey a thought-provoking message and make people aware about different

5.1.3. Capacity Development and Skill Enhancement Activities (2021-22)

diseases. They also talked about some of the very prevalent problems like alcohol addiction and eating disorders.

All the respected Fathers were requested to step on to the stage and were felicitated by the lecturers of the department of Food Science, Nutrition and Dietetics and were invited to address the gathering. Dignitaries brought out attention towards the problem of malnourishment in our country and made everyone understand the importance of mental health and said that physical and mental health are co related. Finally, the guest speaker C. Anjali Devi talked about the theme and her experiences as a professor. Then the competitions started with the first one being Recipe contest where every participant presented their dishes and talked about their dishes.

Other competitions like vegetable carving, followed by poster presentation and quiz were conducted where students from different departments and colleges took part and displayed their talents. Soon after the completion, a valedictory ceremony was conducted where prizes were distributed for all the respective competition winners along with participation certificates.

Outcome: It was indeed a knowledge gaining and joyous celebration as every individual were made aware of nutritional importance in everyone's day to day life.

The programme concluded on a good note, by congratulating the participants and the winners.

Principal

5.1.3. Capacity Development and Skill Enhancement Activities (2021-22)

A webinar on “Emotional wellbeing of students during pandemic” was organized for UG Food Technology and Management & Food Science Nutrition and Dietetics students and faculty by Loyola academy, Hyderabad on 8th June 2021 at 10:50 AM.

Report: The webinar was started by addressing the speaker by the HOD of BSc. Food technology and management department.

Dr.Samson Gandhi started the webinar by grabbing everybody’s attention by giving a familiar example from a well-known Bollywood movie called “3 idiots” where the main lead imitates a Nepali Gorkha (watchman) who says “ nothing to worry, don’t get disturbed, ALL IS WELL. I am watching over you, you sleep tight”. Then he comes to the actual topic where he focussed on the importance of being healthy both mentally and physically, citing various examples from everyday life. The webinar was aimed at fostering students to understand and practice emotional well-being and take note of their daily activities and how they are affecting their minds.

‘Dr. Samson Gandhi’ (Faculty, Person to Person Institute for Christian counseling) headlined the webinar and also explained the types of emotions which are positive emotions and negative emotions. Where he referred to positive emotions as ‘roses of fragrance’ which includes love, joy, peace, patience, kindness, gentleness, and self-control; and negative emotions as ‘thorns in the flesh.

Conclusion: The webinar started with an interactive session with students where students were allowed to identify the emotions seen on the slide shared by him. The motive of the webinar was to make the students aware that they are not alone facing issues but all of them have some kind of stress and emotional breakdowns. Also, the fact that physical and mental health go hand in hand was also exemplified.

The webinar mainly focused on the fact of conquering negative emotions like anxiety, fear, anger, guilt/shame, depression which he related with the current pandemic situation and also he said to accept the truth, face it and deal with it and be thankful for what we have and live in the present; and he also talked about the connection between the emotional and spiritual balance in life, which is followed by a questionnaire round where students and faculties queries were solved.

Outcome: The students and faculty really enjoyed the webinar and also felt relieved sharing their day-to-day issues and feedback on the webinar. The faculty members appreciated his sweet words.

The webinar concluded with the students being provided forms to fill, in order to be a part of this webinar.

Date: 10-01-2022

NOTICE

This is to inform the first-year students of BBA that an online Gender sensitization session will be held by our guest speaker Ms. Pearl Choragudi on 12 January 2022 via Microsoft Teams. Attendance is mandatory for the seminar. After the seminar, the usual timetable will be followed.

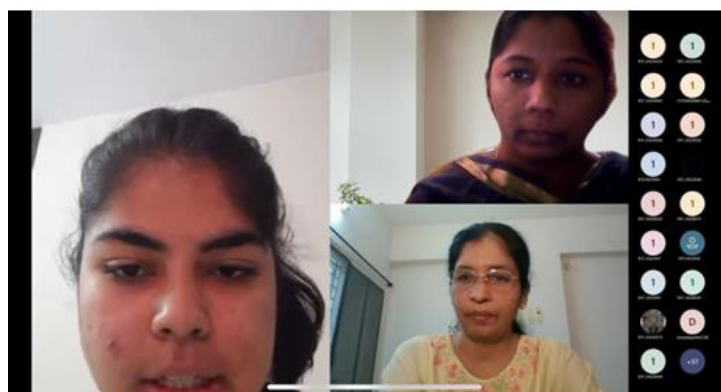

(Fr. Dr L. Joji Reddy SJ)

5.1.3. Capacity Development and Skill Enhancement Activities (2021-22)

Report: Gender sensitization should prevail at all top to down level. Ms Pearl Choragudi has discussed at length the importance at responding to specific peer pressure, addiction, and relationship issue. Videos and case studies has made the students aware to communicate their boundaries and to respect themselves. Whether it is about being in an unhealthy or abusive relation or saying ‘No’ to sexting, explicit messages, videos, or photos and such.

They also learnt to fight addiction as it’s a common challenge. Miss pearl guided and motivated students and motivated them to take wise and right choices in future.

Learning Outcome: The first year students enjoyed the session, as gender sensitization is very much required to create gender synergy at household, organizational and community level for producing more output and attaining gender equality.

List of students benefitted:

Personality Development and Leadership Skills (CC Course)

Objective:

The primary objective of this course was to groom students and make them to establish an identity of themselves. The course was also envisaged to develop positive attitude in life and also to inculcate significant qualities such as punctuality, flexibility, willingness to learn at all stages of life, coping with stress and also imbibing an attitude to help others with a friendly nature. In addition, the course was directed towards making them understand the intricacies of effective leadership that brings about remarkable change in an organization. The revered qualities of true leader and implementation thereon were also integrated in this course to meet the intended objectives of Loyola Academy.

Outcomes

The following outcomes were anticipated from the students after the completion of the course :-

- Develop and nurture a deep understanding of personal responsibility & self-motivation
- Demonstrate fair knowledge of personal beliefs and values with balanced confidence
- Practice and perform professional & personal communication and develop and articulate philosophy of leadership

5.1.3. Capacity Development and Skill Enhancement Activities (2021-22)

- Understand the experiential learning for success in life
- Learn to evaluate and improve upon personal leadership strengths and weaknesses
- Undertake responsibility, think critically, practice creativity, develop strategies to work as teams to achieve specific goals
- Learn problem solving skills, conflict management and effective lead others in an organization
- Explore, understand, and lead, guided by the values of self-awareness, equity, social justice, inclusiveness, empowerment, collaboration, citizenship, and service
- Show a record of leadership experiences in preparation for future leadership opportunities

Organized by
Department of B.Sc. Computer Science & Engineering

The Department of B.Sc (Computer Science and Engineering) organized an International online webinar on " Machine Learning" on 11th January, 2022 at 10:00AM in Microsoft Teams for students by Mr. M Srinivas Reddy, Trainer & MD of Data Hills Solution .He has delivered the following topics

- ❖ Introduction and types of Machine Learning.
- ❖ ML Engineer Responsibilities.
- ❖ Data preprocessing in Machine Learning

Total **368 Students** have attended the webinar from **various** colleges.

Objective:

The main objective of this program is to enhance the skills of Machine Learning to students by giving them ideas.

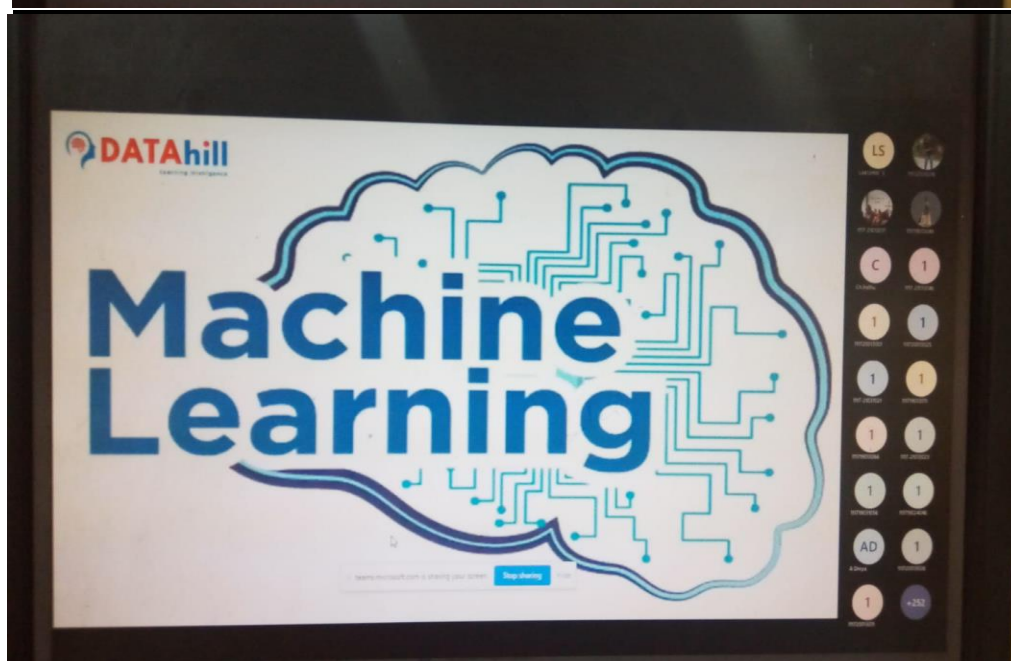

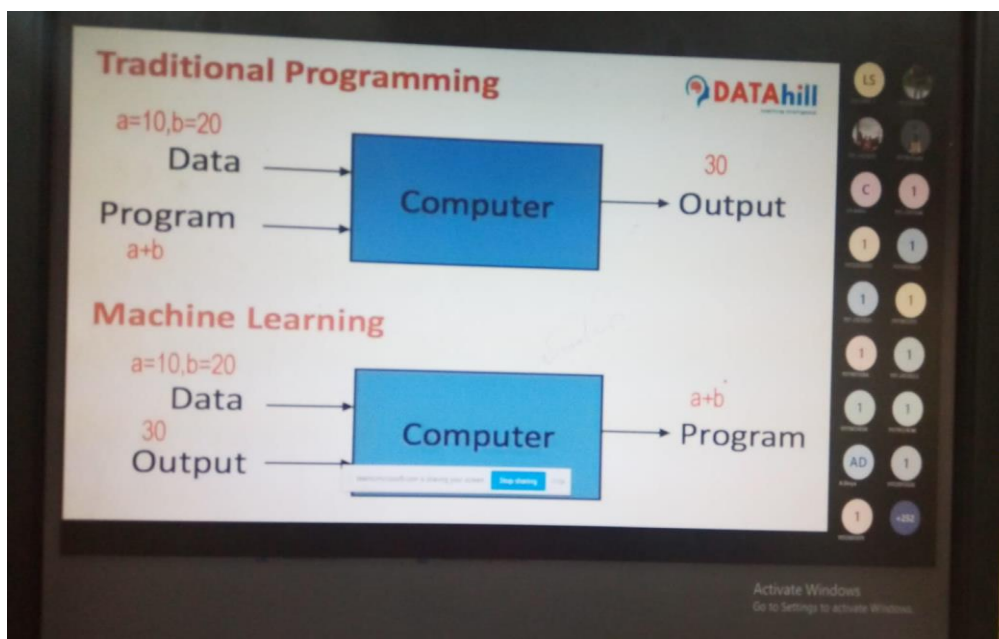

Outcome:

- Students gained knowledge on Machine Learning.
- Students can apply Machine Learning techniques such as classification and feature selection to practical applications and detect patterns in the data.

Machine Learning Algorithms Workshop

Date: 21 February 2022 to 26 February 2022

No. of participants: 18

Resource Person: Mr. Vamsi Krishna, CEO, Arambh.AI

LOYOLA ACADEMY

(DEGREE & PG COLLEGE)

OLD ALWAL, SECUNDERABAD - 500 010, TELANGANA, INDIA

(Autonomous and affiliated to Osmania University)

Re-accredited with 'A' Grade (III Cycle) by NAAC

A Catholic Christian Minority Institution (Co-Education)

A "College with Potential for Excellence" by UGC

www.loyolaacademyugpg.ac.in Ph: 040-27862363 / 27860077 Fax: 040-27867939

No.100B / LA-Admin / 2021-22

Date: 16-02-2022

NOTICE

The final year students of Department of B.Sc. Computer Data Science & Data Analytics Engineering are hereby informed to attend one week workshop on Machine Learning algorithms will be conducted from 21st to 26th February 2022 at Loyola Academy (Big Data Lab).

(Fr. Dr. L. Joji Reddy/SJ)

Aim: To have an insight in latest trends in machine learning

Objective: The main objective of this offline workshop is to make students learn about various insights of machine learning algorithms and their applications. This would also help students in their projects and for future placements.

Report:

The department of B.Sc. Computer Data Science & Data Analytics Engineering has conducted a one week workshop on Machine Learning algorithms for the final year students from 21th to 26th February 2022 for 30 hours by Mr. Vamsi Krishna, CEO, Arambh.AI at Loyola Academy (Big Data LAB)

Overview Of The Topics:

1. Introduction to Data Science.
2. Data Science project workflow.
3. Numpy Package(theory & code)
4. Pandas Package(theory & code)
5. Matplotlib (coding).
6. Preprocessing Techniques(coding).
7. Feature Extraction(coding).
8. Introduction to Statistics(theory).
9. Scipy Package(coding).
10. What is Machine learning & Machine Learning Algorithms (theory)
11. CNN

Practicals on the following machine learning algorithms

1. Linear Regression.
2. Logistic Regression
3. Clustering (K-Means)
4. SVM
5. Random Forest
6. Decision Tress
7. K-Nearest Neighbours
8. Naïve Bayes
9. EDA
10. Multilayer Perceptron Algorithm.
11. Count vectorization,tf,idf.

DAY 1: 21/02/2022 (Monday)

- Introduction of the speaker and students
- Introduction to data science, basic definitions of data science, machine learning, types of machine learning.
- Introduction to numerical python – NumPy, implementation of NumPy , various numerical functions in NumPy.
- Introduction to Pandas, implementation of Pandas,various functions in Pandas.
- Introduction to Matplotlib, plotting various plots using matplotlib (pie,scatter,bar etc).
- Practice sessions

DAY 2: 22/02/2022 (Tuesday)

- Introduction to subplots and basic programs on subplots.
- Introduction to data processing, Introduction to scipy package, basic concepts of statistics.
- Central limit Theorem
- Practice sessions and assignment evaluation

5.1.3. Capacity Development and Skill Enhancement Activities (2021-22)

DAY 3: 23/02/2022 (Wednesday)

- Introduction to machine learning, types of machine learning, validation score.
- Introduction to Regression, ordinal least square method, linear regression.
- Introduction to classification, logistic regression and steps to implement logistic regression
- Introduction to clustering and overview of K-means algorithm
- Introduction to count vectorization and tf,idf
- Practice sessions and Evaluation of assignments

DAY 4: 24/02/2022 (Thursday):

- Introduction to SVM, types of SVM and algorithm explanation
- Introduction to decision trees, types of decision trees and algorithm explanation
- Introduction to random forest, types of random forest and algorithm explanation
- Introduction to smot analysis
- Introduction to Naive bayes and algorihm explanation
- Introduction to EDA and implementation of EDA
- Practice sessions and evaluation of assignments

DAY 5: 25/02/2022 (Friday):

- steps to handle missing values and complex values in a data set
- Introduction to multilayer perceptron and algorithm explanation.
- Introduction to KNN algorithm and implementation
- Basic introduction to tensor flow.
- Practice sessions and evaluation of assignments

DAY 6: 26/02/2022 (Thursday):

- Introduction to CNN, steps to implement CNN
- Conducted Practical Examination and evaluated results.

Review:

The workshop helped to provide new insights on Machine Learning to the students and also helped in getting a better idea on future projects and placements

5.1.3. Capacity Development and Skill Enhancement Activities (2021-22)

List of students benefitted:

S.No	UID	Name
1.	111719031002	A. Niharika
2.	111719031003	A. Sai Priya
3.	111719031012	M. Nirmala Keerthi
4.	111719031014	M. Nirmala Keerthi
5.	111719031015	M. Srija
6.	111719031018	N. Bhavana
7.	111719031027	T. Keerthana
8.	111719031028	V. Samanvitha
9.	111719031036	Ch. Chaitanya Varma
10.	111719031039	E. Jashwanth
11.	111719031043	K. Kamal Kumar Rao
12.	111719031045	M. Bala Rishik
13.	111719031047	N. Nikhil
14.	111719031053	P.M.V Chaitanya

5.1.3. Capacity Development and Skill Enhancement Activities (2021-22)

15.	111719031054	P. Pramod
16.	111719031055	Radhey Shyam Gupta
17.	111719031056	S.R Saibaba
18.	111719031062	P. Yagnasri

Ethical Hacking-CC Course

Objective: To make the students learn various concepts of Ethical Hacking and explain how one can use them in a real-time environment

Outcome: Students will be able to gain the skills and make a career as an ethical hacker

No. of students: 45

SKILL ENHNCMENT CERTIFICATE COURSE (ACADEMIC YEAR 2021-2022) MARKS SHEET
