

**DEPARTMENT OF B.COM INTERNATIONAL ACCOUNTING AND FINANCE**  
**DEPARTMENTAL REPORT 2019-20**

**DEPARTMENTAL OVERVIEW**

**Date:** 17<sup>th</sup> July 2019

**Place:** Loyola Hall

**Timings:** 9:30 am – 12:30 pm

**Purpose:** To enlighten and orient the parents of the first year students about the course and its scope.

**Report:** A seminar was held by the department for the parents of the first year students to educate them about the course taken up by their ward and its scope. The officials of ISDC and an ACCA affiliate was called upon by the management of the college.

A clear seminar was given by the resource persons about ACCA and the course. The parents asked their doubts and were also encouraged to motivate their child in the completion of this course. The structure of ACCA, the details about the exams were also clearly presented.

Students were encouraged by the ACCA affiliate who had cleared all her professional papers to not give up and work hard with confidence. The resource persons also gave tips for exam preparation and counselled students not to take any kind of stress.

**Review:** Parents were enlightened on how the course's curriculum goes through the academic years. The parents were encouraged to motivate their children and students were counseled to work hard until the completion of their course.

## **ORIENTATION PROGRAMME:**

**Date:** 3<sup>rd</sup> August 2019

**Place:** Loyola Hall

**Time:** 9:30 am – 12:15 pm

**Purpose:** To orient the first year students about the course and guide them

**Report:** An orientation programme was held for the first year students. Officials from the Association of Certified Chartered Accountants (ACCA) were called by the Management of the College to enlighten students about the course and how they can build a career in it.

The officials clearly explained the students about the scope of the subject, the examinations which were provided as an exemption to the students of the department and motivated them to pursue the course with confidence.

The students raised their questions which were cleared and the session helped them in building confidence and also gave them the willpower to complete the course along with the additional examinations which have to be taken.

**Review:** A complete overview was given to the students on how to prepare themselves on how to obtain maximum benefit from the course.

**Date:** 18<sup>th</sup> and 19<sup>th</sup> February 2020

**Place:** Inigo Hall

**Objective:** To help individuals attain specific skills which are required to survive in the corporate world.

**Report:** The workshop began by invoking God's blessings. The dignitaries were welcomed on the stage to light the lamp. A welcome speech was given by Respected Principal Fr. P. Anthony Reddy SJ focusing on the significance of the department of B.Com International Accounting and Finance (IAF). He also elaborated on how this department is different and unique when compared to other streams of B.Com. The Dean of Commerce Dr. Jacqueline Williams gave a talk on the opportunities available to the students in the field of Commerce and motivated the students. On Day I we had the members of Speakers Of Hyderabad who inspired the students and also conducted learning based activities and the on Day II we had resource members from Impact Education India who delivered insightful sessions.

**DAY – I**

**Session I:** Dr. Babar Zaman.

The first session was on the topic Soft Skills Development which was rendered by Dr. Babar Zaman. The session was interactive and insightful. The speaker spoke to the students and also gave examples from his life which encouraged the students. Activities were conducted for the students to test their listening and observational skills. The skills also helped students to concentrate on commands given by the superiors. He also enlightened the students on the importance of self-awareness and personal development.

**Learning Outcome:** Students were able to learn 10 soft skills which are Communication, Relationship Management, Networking, Decision Making, Money Management, Surrendering, Adaptability and Kindness.

**Session II:** Mr. SricharanLakkaraju

The second session was taken by Mr.SricharanLakkarajuon the topic Entrepreneurial Development. It was an interactive and insightful session. He enlightened about how exposure matters. He advised students not be calculative or fall prey to easy money but rather look at value and worth in the simplest of things and innovate them. They were told to have a level of passion which is maintained throughout their life.

**Learning Outcome:**Students were motivated to think about innovation before starting an entrepreneurial life. They were told to see worth and value in the simplest things of life.

## DAY – II

### Session I: Mr. Rajesh Pershad

The first session was conducted by Mr. Rajesh Pershad. The theme was Corporate Soldier; the students were able to learn about what exactly happens in a corporate world. This session was filled with learning and fun based activities.

**Learning Outcome:** The activities helped them learn about Teamwork, Time Management, Optimum utilisation of resources, creativity and ethics.

### Session II: Mr. Alok Kumar Singh

The session was conducted by Mr. Alok Kumar Singh. The theme was data visualisation and analysis. Students were enlightened about Artificial Intelligence, Block-chain Technology, Cloud Computing and Data Analysis. Insights were given about how scalability is important. Scalability was shown as a success mantra which persuaded the students to develop their innovative skills and look for career options in the field of data visualisation and analysis.

**Learning Outcome:** Students were encouraged to explore opportunities and expose themselves. They were asked to make mistakes and learn from them, which gives them experience. Students were also inspired by the words ‘be transformed by training, and learn to sell yourselves and remain focused.’
