VISION

TO NAVIGATE THE FUTURE
To impart higher education with
integral formation which involves
academic excellence, spiritual growth,
social commitment and value based
leadership

FROM CHERISHED DREAMS TO REALISTIC GOALS

You stand on the threshold of a completely new world. A world that opens up a future full of promise. The promise, of a brilliant career. A career which requires a discerning decision be made in order to succeed. A career-making decision is not just about syllabi, books, exams and results. It's about a dream. Your dream. How would you want your life to be? Where do you want your career to go? What are the goals you have set for yourself? Which subject inspires you to perform? It is here, at the crossroads, that you have to make the right move. The move that will take you in just the direction where your heart lies.

TREASURE HOUSE OF KNOWLEDGE

It is from here, that Loyola Academy (Loyola) will take you forward by understanding your aptitude, attending to your needs and nurturing your dreams. We will support you at every step. Guide you all the way till you emerge as a confident, professional, goal-oriented individual with a clear sense of your social and moral responsibility towards the society. A forty-six year heritage in education gives the college the ability to deliver its promise of a holistic education. An Autonomous Co-educational Degree and PG college affiliated to Osmania University. Its Accredited by NAAC and managed by Jesuits whose reputation as educators is well known throughout the world. The Loyola's impeccable lineage includes leading educational institutions of the country viz., XLR, XIM, St. Xavier's, Kolkata and Mumbai and Loyola Chennai, etc. A 6000+ student force reinforces the dedication of Loyola Academy to its chosen task of educating the generations. Loyola belongs to the genre of tech-savvy educators who have understood and realized that the need to keep up with change is real and immediate. It is no exaggeration that since our inception we have consistently broken new ground, upgraded our syllabi in tandem with every swoop in business, science and technology, and met each challenge. We intend to stay proactive and prepared, scalable and relevant. A value-based education supplemented by continuous up gradation of the career-oriented curriculum keeps our students on the learning curve

MISSION

TO BUILD QUALITY INTO LEARNING
It is to form "men and women for
others" and mould our students as
global citizens with competence,
conscience and compassionate
commitment. Special concern is
shown towards the socially
and economically under
privileged students

BEST PRACTICES :

Loyola Academy has adopted several best practices to effectively achieve institution's mission, and meet its goals. Prominent amongst them are : promoting job oriented, skill based, innovative and employability viable courses and wards management scholarships to weaker section/ economically backward, meritorious and extraordinary students and assist the students in realising their future goals.

INSTITUTIONAL DISTINCTIVENESS:

Loyola Academy believes in maintaining a Environment friendly attitude and practices to ensure sustainability in all sections of Campus life.

LIBRARY :

The library at Loyola Degree & PG college considered to be one of the best in the twin cities. It has total of 58,200 Volumes and equipped N-List (National Library Information services Infrastructure for scholarly content) DELNET (Developing Library Network)

PLANET, MAGIC, YOUTH, NCC, NSS & SPORTS

LA has both Army and NAVY Wings. These units helps to develop leadership qualities amongst students. LA NCC & NSS cadets serve as future leaders of the nation and are prepared to serve during emergencies. On the other hand Sports and games form an integral part of life at Loyola Academy.

THE CAMPUS

A CENTRE OF EXCELLENCE

A wealth of talent, expertise and experience is the backdrop against which Loyola functions. Our bank of academicians, culled from a cross section of the academic domain, are instrumental in honing the latent talents of the students. From the grass root level of interacting with students directly for a better understanding of their interests and aptitudes, to channelizing their efforts in the right direction and finally, to help them achieve their respective goals, they are available for every student at any time. Regular on-the-job training and skill enhancement programs keep our faculty updated on current trends in education. Consequently, we have always been able to harness the advantages of cutting-edge teaching techniques and use them for the benefit of our students. Students also have the opportunity to comprehend real life situations through talks delivered and workshops are conducted by the doyens of industry invited by the college on a regular basis, to interact and share their experiences with enthusiastic students.

It is all of 133 acres! Stretch after stretch of greenery, aesthetically landscaped; welcomes you into Loyola's cool confines. The futuristic ambience features: Spacious classrooms, State of the art cutting edge laboratories & workshops Ultra-modern computer labs, well-equipped language lab, A digital Library, Seminar Halls, Dairy farm, agricultural plots, Bio-diversity park, Green House, International size sports tracks & Indoor Stadium, Basketball courts of international standards, Sports & games facilities, Cafeteria, Common hall Separate hostels for boys and girls accommodating up to 250 students, Elevators for the physically challenged. Hygienic and clean surroundings add to the green environment. A reverse osmosis plant ensures that supply of pure drinking water to the college and the hostel. The college is linked to various parts of the twin cities by a well-connected roads.

MOUs, INDUSTRIAL TRAINING AND PLACEMENTS

PLANNING AHEAD

MOUs with higher education institutions and tie-ups for project work with leading private and public companies covering a gamut of activities in sync with the syllabi of the college ensure that students acquire practical, real-world experience. Students of Loyola have emerged with flying colors in the campus interviews conducted by leading national and multinational companies from across the country.

CO-CURRICULAR ACTIVITIES

LEARNING BEYOND THE CLASSROOM

Loyola places a lot of importance on the holistic development of each student. The institute believes that every student has an innate talent which needs to be recognized, nurtured and brought forth in keeping with the philosophy to offer holistic education, the institute conducts, at regular intervals, a slew of extra-curricular activities ranging from debates and fine arts competitions to interfaith forum, NSS and rural outreach programs. A science association, library, dramatics and debate clubs have all been constituted as part of this ongoing effort for overall excellence. The students of the college have bagged many prestigious trophies and awards in inter-collegiate competitions held across the country.

COUNSELLING SERVICES

BRINGING OUT THE BEST

Apart from qualities of academics, what puts Loyola Academy students in good stead, is the personality development activities and one-on-one counseling. They go a long way in bolstering the confidence levels of the students, which is evident in the fact that the college has the unique distinction of being the only one from which an overseas-based multinational company preferred to recruit the whole batch of graduating students in a year.
