No. of sessions taught: 20

No. of sessions assessed: 5

Term: I and II Semesters (2022-23)

No. of students enrolled: 1683 (all UG first year students)

Soft skills are taught to first year students of Loyola Academy. The classes taught essential attributes that complement an individual's technical abilities and contribute to personal and professional success. The following skills were taught through the course:

1. Communication Skills: Soft skills classes emphasize effective communication, both verbal and non-verbal. - Students learnt to articulate ideas clearly, actively listen, and adapt communication styles for diverse audiences. - Improved communication skills facilitated better collaboration and understanding among peers.

2. Interpersonal Skills: Soft skills training fostered the development of strong interpersonal relationships. - Students gained insights into empathy, conflict resolution, and teamwork, leading to a positive and inclusive learning environment. - Enhanced interpersonal skills contributed to successful group projects and extracurricular activities.

3. Leadership and Teamwork: Soft skills classes incorporated leadership and teamwork exercises. - Students cultivated leadership qualities, learn to motivate others, and understand the dynamics of effective team collaboration. - These skills are transferable to various aspects of life, including academic pursuits and future professional endeavours.

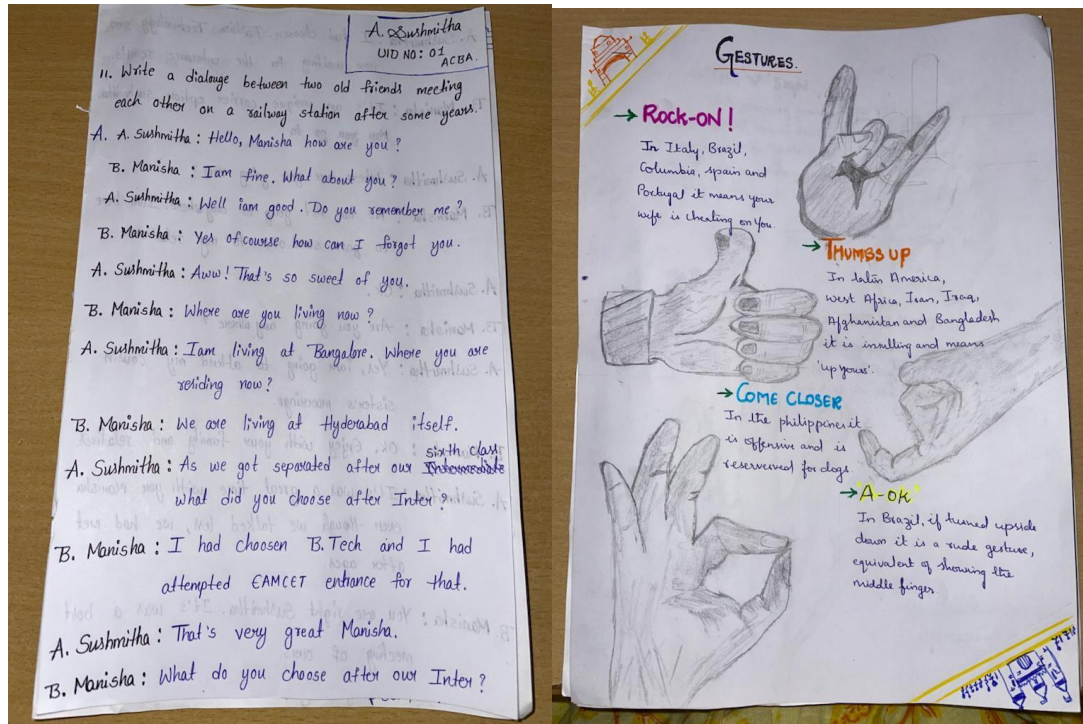

4. Adaptability and Problem Solving: - Soft skills classes encouraged adaptability and critical thinking. - Students became better equipped to navigate challenges, handle change, and approach problem-solving with a creative mindset. - Such skills are crucial for success in dynamic and unpredictable environments.

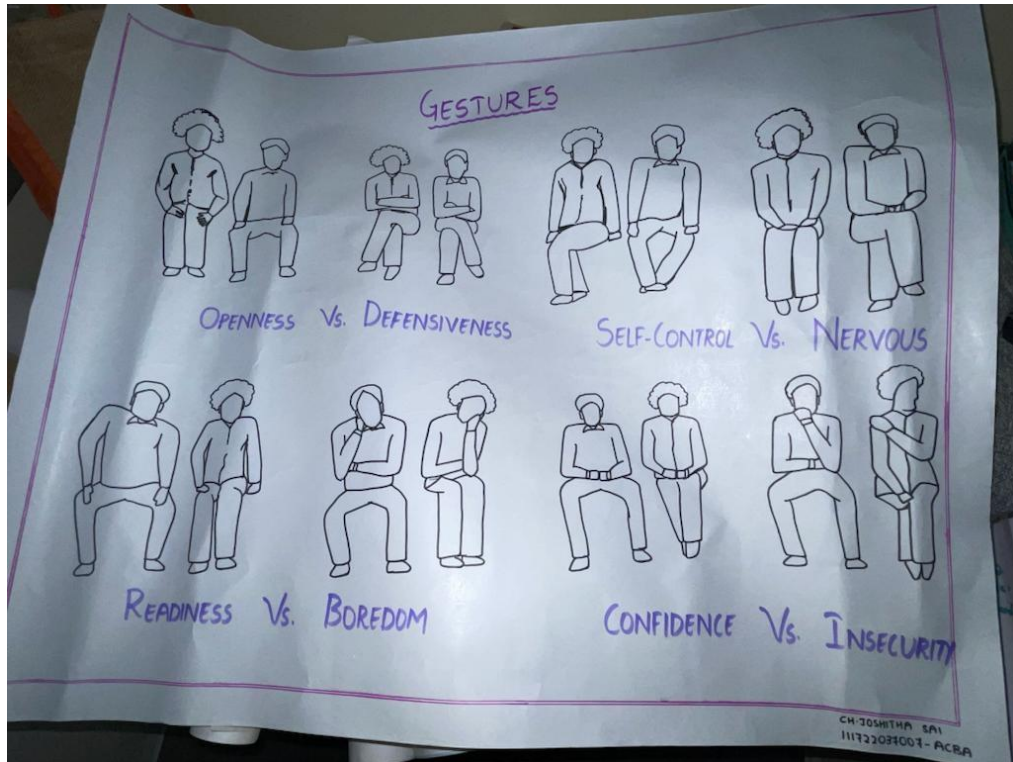

5. Self-Confidence and Presentation Skills: Soft skills training contributed to the development of self-confidence and polished presentation skills. - Students learnt to express themselves confidently in various settings, including interviews, presentations, and networking events. - Increased self-confidence positively impacts academic performance and prepares students for future career opportunities.

6. Professional Etiquette and Networking: Soft skills classes often covered professional etiquette and networking strategies. - Students gained insights into appropriate behaviour in professional settings, enhancing their employability. - Networking skills acquired through these classes can lead to valuable connections and opportunities.

Conclusion: Soft skills classes played a vital role in shaping well-rounded individuals, equipping students with the interpersonal and professional skills necessary for success. The benefits extend beyond the classroom, positively impacting students' academic achievements and preparing them for the challenges of the professional world. Integrating soft skills training into education is a key investment in the holistic development of students.

Soft Skills Training

Date: 30th August, 2022

No of students enrolled: 63

Resource person: Mrs. M. Swetha, Loyola Academy

Aim: To instil the art of speaking and boost up the confidence among students

Report: Soft Skills is a very popular term nowadays, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in team and other personality traits that characterize relationships between people. Soft Skills are traditionally considered complementary of Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life then is essential for the students when they try to obtain any kind of job.

This workshop was conducted on "Soft Skills Training for the students of DBBA" by our own department faculty member Mrs. M Swetha on 30 August, 2022. The basic aim and objectives behind this workshop was to instil the art of speaking and boost up the confidence among students so that the improvement in their personality took place. It also plays vital role in

improving communication skills among students. Students should be expressive and smart enough to present themselves in front of the public at large in their desired manner.

Enterprises generally hire new employees, in particular recent graduates, taking more in consideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere.

Conclusion: The training was successful with student's enthusiastic participation.

Outcome: The training provided the students understand the necessity to improve their skills.

LIFE SKILLS: YOGA

Yoga for Wellness

Date: 15th September, 2022

No of students enrolled: 302

Resource persons: Miss Anushka Singh, certified yoga instructor at Cult fitness.

Aim: To create awareness about the importance of connecting to inner world among the students

Report: The department of BBA had organised a yoga session to make students realize the importance of connecting to inner world. The program venue was Loyola hall where students of all three years actively participated. The initiative of arranging the program was taken by Mrs Mary Patricia, HOD of BBA. The program instructor was Miss Anushka Singh a certified yoga instructor at cult fitness. She said yoga improves our stability and concentration on physical body and mental focus. The session Started with breathing exercises, this heightened our sense and made us become aware of our surroundings, to notice any tension and tightness and relax those muscles.

5.1.3. Capacity building and skill enhancement activities-2022-23

Yoga helps you to analyse and become aware of your thoughts. Then proceeding with neck rotation which improves mobility of your neck and blood circulation. Followed by shoulder rotation that relaxes your shoulder muscles and releases knots. The next pose was cat and cow by inhaling arch our back this helps to relax your back and lower abdomen muscles. Then followed by reverse table pose by lifting the chest that strengthens the back muscles and stomach muscles. It was then followed seated spinal twist that relaxed side muscles and few more exercises that help in maintaining posture and increasing concentration. Yoga is a practice which plays an important role in relaxing the mind and body and boosting people's immune system. The yoga session ended with a huge success under the supervision of the BBA faculty. All participants were taught the importance of Yoga in their life & how to maintain the harmony between body and mind. The students discussed the importance of yoga and also exhibited yoga postures and promised to introduce this activity in their daily lives. The session ended by vote of thanks was given by Ms. Priya of third year.

Conclusion: The event is very refreshing and the students showed interest towards learning yoga

Talk On Gender Equality

Date: 7th September, 2022

No of students enrolled: 39

Resource person: Ms. Shraddha Nawander, lawyer, counselor, and human rights activist

Aim: The aim of this programme is to make the students aware of equal ease of access to resources and opportunities regardless of gender.

Report:

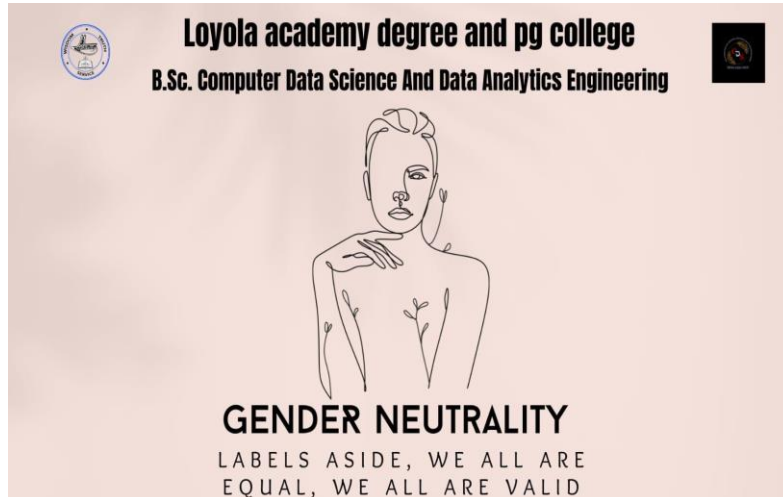

“LABELS ASIDE, WE ALL ARE EQUAL, WE ALL ARE ONE”

The department of B.Sc. Computer Data Science & Data Analytics Engineering has conducted a talk on Gender Equality on 7th September, 2022 in Loyola Hall. Our guest, Ms. Shraddha Nawander, a well-known author, lawyer, counselor, and human rights activist discussed briefly about “GENDER EQUALITY” and told us the importance of “GENDER NEUTRALITY”. Gender equality, also known as sexual equality or equality of the sexes, is the state of equal ease of access to resources and opportunities regardless of gender, including economic participation and decision-making; and the state of valuing different behaviors, aspirations and needs equally, regardless of gender. Gender equality is the goal, while gender neutrality and gender equity are practices and ways of thinking that help in achieving the goal. Gender parity, which is used to measure gender balance in a given situation, can aid in achieving gender equality but is not the goal in and of itself. Gender equality is more than just equal representation, it is strongly tied to women's rights, and often requires policy changes. As of

5.1.3. Capacity building and skill enhancement activities-2022-23

2017, the global movement for gender equality has not incorporated the proposition of genders besides women and men, or gender identities outside of the gender binary.

Outcome: Ms. Shraddha made the session lively and interactive so that the students would question and get their answers to the illogical thinking of the past. The students spent quality time and understood the importance of Gender Neutrality.

At the bottom, the date and time are 'Date:30th July 2022 Time: 10.00 am to 12.00 noon'. The mode is 'Mode -Online' and there is a Microsoft Teams logo in the bottom right corner.

Aim: Role and importance of leadership in current Digital era

Report: A webinar session was held at Loyola academy degree and PG college, old alwal , Hyderabad on 30 July, 2022; 10:00am to 12:00am which was conducted through Microsoft teams. The eminent speaker for this webinar was “Mr. VinuCharles“ which was hosted by “Mrs. Soujanya” Assistant Professor from the department of Master of Business Administration (MBA), Loyola academy degree and PG college.

About the speaker:” Mr. VinuCharles” who was a marketing manager for a radiant software ltd, Coimbatore, Tamilnadu , also an Entrepreneur, a lecturer, a process developer , an Associate Professor, he was also an online facilitator at the Victoria University in Australia. He has also made his mark in the field of training Management subject, management consultant, resource person and a corporate Mr. Vinucharles sir's publication was on "A Day I day forex Regime Benefits a Novice Investor", also "relationship between public debt and economic Growth of a country and a study on how forex influences GPP due to export and import Uk Economy".

Introduction: Mr Vinu Charles sir commenced the session about what role does leadership play in our current digital scenario and how can it be important for our youths to achieve our goals and actively participate in other activities. The current economy needs a new breed of leaders and to remain competitive organisations need to revamp their internal leadership programs to build new leaders that have interdisciplinary skills, with an understanding of different business functions, industries, and technologies. Leaders in the digital era can create a learning culture and breath daily improvements. They are flexible enough to manage teams that increasingly include contract and part-time workers. Two of the most important characteristics of digital leaders are that they have innovation in their DNA and are risk takers. With the economy clearly changing on a daily basis and services now being available via an app, you might expect that companies are fully reshaping the internal processes to create the new type leaders. The fact of the matter is that most organisations haven't moved rapidly enough to cultivate leaders who fit the bill. According to the Deloitte's 2017 Global Human Capital Trends survey, only 5% of companies believe they have strong digital leaders in place. In a sign of positive change, 72% of survey respondents are developing or starting to develop new leadership programs focused on digital management.

Mr Vinu charles sir also stated about the empowerment of youth where, if the youth are empowered they feel confident and capable. They become active contribution and collaborative and excited to explore their impact on the world around them.

He mentioned the differences between the traditional and digital leaders and asked the student to interpret if which one they consider is the right one. In a global pursuit of digital transformation, organizations need to recognize that leaders in the digital era need different strengths and skills. Organizations need to focus on innovation and collaboration. They should restructure leadership programs and focus on empowerment. By empowering potential leaders to think, act, and react differently, companies can position themselves for competitive advantage in this digital era.

 - It should match you and your skills
 - This could leads to an interview
- At last, concluded with the points discussed in both the session.

DAY 2

The session commenced with welcoming the Speaker Mr. Harshavardhana Rao at 9:30 AM. Two sessions were planned for the day.

The main aim of day 2, session was to prepare the students to face the interviews confidently.

Morning session was about the Resume writing.

Key points about the resume were discussed. These points are important to increase the candidate's impression in front of the recruiter as, it was discussed yesterday's that, resume needs to speak for the one who applied for the position.

The skills mentioned in the resume needs to be so clear and must be favorable both the recruiter and candidate. The candidate should be able to lead the interview as this would let them show their best skills in their domain and highlight the reason why they are the best for the position. It was mentioned that, when Radio buttons and percentages are mentioned one must exactly explain the reason. The basic difference between CV and resume was clarified. There is a little difference between the both. Before, CV consists of more than 2 pages which is used to be a very detailed information about the candidate whereas resume used to be a simple format of 1 or 2 page which basically explain about the skills of the candidate

Afternoon session was all about group discussion.

Topics like, "Impact of COVID-19 on global economy, OTT vs Theatres, importance of netiquette, hike in fuel prices". Topics were discussed. Each discussion had their own uniqueness and highlighted various points that would be generally missed in a group

discussion.

The main aim of these discussions was to correct our stand during the discussion and learn how to behave during a group discussion. The rest of the members acted as spectators to observe and notice what are the most common mistakes done in group discussions.

The session concluded with a brief towards interview etiquette and body language of an interviewee. A lot of information that would be useful in helping a candidate stand out in interviews was acquired through the activities carried out for the day. The session was pretty well planned and informative.

DAY 3 Morning session

Key tips were regarding, how to attend an interview?, how to groom oneself for an interview? and how to behave in an interview room?

These Were clearly explained by the Speaker and later he introduced Mr.Rajesh Rao who is the senior most employee in his firm, a trainer(He trained many young talents pertaining personality development and also conducted many workshops which helps the students to choose the right career path).

This session was about Do's and Don'ts for an interview i.e, to “maintain punctuality, be prepared with a resume which is suitable to the job title applied for, be prepared for the interview mentally and physically and research about the company. Do not attend for an interview without preparation, don't be emotional if the interviewer tries to stress hard”, all these things make an individual to improve oneself in those areas in which he/she is lacking. How to behave in a physical or virtual Interview? What are the main things to be done after the interview are, like calling the coordinator and showing the gratitude for that opportunity given. One should proceed with a positive attitude though he/she is not selected too. He/she should be grateful for the new things learnt even from the mistakes and focus on the points that are to be improved.

Afternoon session

This session was about taking mock interviews for the students and evaluating their performances.

One should know the basic principles before attending an interview.

Communication, body language, subject knowledge, presence of mind and grooming are the main principles that are to be kept in mind. Conducted mock interviews for the students to give an idea on how to face the Interview, to accustom them to the different interview environments and enhance their self-confidence so that they will less likely to be nervous during the real interview further. Additionally, mock interviews will familiarize one with commonly asked interview questions. The session concluded with small act on role play between HR department and Technical department on the recruitment strategy and ended with vote of thanks.

Conclusion: The workshop was very useful to the students as they are preparing themselves to attend interviews.

Objective: To develop leadership qualities and to equip global leaders with tools to create change and empower students and young professionals

Report: Loyola Academy collaborated with Global Emerging Leadership Program (GELP) for a two-day international conference on emerging trends in leadership, education and careers, on December 1st and December 2nd, 2022. GELP is a Canadian social enterprise that aims at developing leadership programs for students and young professionals.

The conference was conducted with the help of various members from management: the Chief Patron of the conference was Rev. Fr. Ch Amara Rao SJ, Rector and Correspondent and the Chief Facilitator was Dr. Ravi Chandra Raju, Ashoka Fellow and Cofounder of DYN Naturals. The organizers were, Dr. Swaralipi Nandi, Head of the Department of English, who acted as the Convener; Dr. G. Ratna Vani, Dean of Arts and Humanities; Dr. K. Rama, IQAC Coordinator; Dr. N. Mariadas, lay Vice-Principal; Dr. T. Suchitra Naidu, Dean of Academics

and Mrs. K. Saras Chandra, Dean of Student Affairs. The management members were Rev. Fr. M Arul Jyothi SJ, Vice Principal UG and Rev. Fr. Dr. A.M. Joseph, SJ, Vice Principal PG.

The intent is to provide relevant skill-based learning and experiences that will challenge the next generation to discover themselves in their reflective journey and identify their career and pathway. The outcome was to make students and young professionals explore various skills, developing leadership skills, global citizenship and sharing Canadian Knowledge and ways of knowing, by choosing 25 students from all over India to apply to the leadership programs in Canada, that would help students gain experience and also a new perspective on their route of becoming a leader.

The conference consisted of two-panel discussions: Emerging Trends in Education & Careers in the 21st century, the moderator for the panel was Dr. V. Smitha and the panellists were Gwen O' Mahony, Principal Consultant, O' Mahony Consultancy, PR and Govt. Relations specialist, GEL; Luke Nixon, Social Entrepreneur and Director, Marketing & Business Development, Magnet, Toronto Metropolitan University; Dr. Ravi Raju, Ashoka Fellow and Cofounder of DYN Naturals, India; Omar Karim, Founder and President, GELP. The student panellists were Michelle Golconda from Mass Communication and Ansh Bansal from BBA, Loyola Academy. The second panel discussion was on Time Management: Navigating Procrastination, Stress, and Planning, the moderator for the panel was Sobhana Jaya-Madhavan, Associate Vice President, Simon Fraser University and President of the BC India Business Network and the panellists were David Woodward, Executive Leadership Coach and Work Integrated Learning Faculty, Vancouver Island University; Gwen O' Mahony, Principal Consultant, O' Mahony Consultancy, PR and Govt. Relations specialist, GELP; Lyndsay Passmore, Past Program Chair, Melville School of Business, Kwantlen Polytechnic. The Student Panellists were Tanay Singh, from EL and K.L.N.V Shruthi from EPC, Loyola Academy.

Each panel discussion has two student representatives. The students had an effective and interactive discussion with the moderator and the panellists on various dimensions of trends in different education and career. The discussion also included an insightful discourse on stress and different ways to manage and cope with stress. The panellists and student panellists had a perceptive discussion that also included their awareness and experiences regarding stress.

The conference also included four workshops: The Master Communicator, which aims to improve an individual's in-person and virtual public speaking skills by incorporating new techniques and best practices to aid in the delivery of your message to your audience. It helps an individual to develop their public speaking skills through the use of new techniques. The second workshop, Navigating Information Overload, explores various approaches to developing working relationships with coworkers, defining roles, and achieving a healthy work-life balance. It helps an individual to evaluate information critically in a time of misinformation. The third workshop, Embracing a Growth Mindset, focuses on embracing one's mindset and applying it in one's daily life. It also teaches people how to embrace their mindset and use it to overcome challenges. The fourth workshop, The Modern Workplace, enables students to gain a deeper understanding of how technology affects knowledge sharing.

and how to analyze and navigate information while conducting proper research. It also raises awareness about various ways to adapt to a hybrid/remote work environment.

Global Emerging Leadership Program focuses on improving the communication skills of the students, which would directly assist them to become better leaders. They value lifelong learning and the ability to connect. The conference concluded with an interactive session with students and young professionals.

On the second day of the international conference organised by Loyola Academy in collaboration with GELP, two speakers from the field of Psychology, Mr. Santosh Vennamala and Dr. Diana Monteiro were invited for an informative and interactive session. The speakers talked about the importance of psychological well-being, its components and ways through which it can be enhanced.

The insightful conference began with speaker Mr. Santosh Vennamala who effectively elaborated on the topic 'Mentoring For Success'. It primarily dealt with the importance of having a mentor, especially for students. He further stressed on how guidance of mentors can bring healthy and positive outcomes. Additionally, he enlightened students on the nature of goals they should set in order to derive desirable outcomes. Lastly, he inspired students and staff to keep exploring new outlooks in life to gain meaningful experiences.

The session was followed by Dr. Diana Monteiro's talk, who threw light on 'Enhancing Quality of Life'. She discussed how a proper balance of thoughts, emotions and behaviour is essential. In addition to that she educated students about the importance of sleep and how inadequate sleep can hinder one's quality of life. Moreover, she emphasized on importance of seeking therapy and in what ways it can help an individual to overcome distressing situations in their life. At last, students were encouraged to ask questions and clear their doubts and the speaker enthusiastically clarified their queries. The event came to an end with felicitation of the guest speakers, Mr. Santosh Vennamala and Dr. Diana Monteiro. A vote of thanks was delivered by Dr. Swaralipi Nandi, the convener of the conference, extending gratitude to the Principal, Vice Principal, Fathers, invited guests, staff, student council members, volunteers and all the participants for making the conference a success.

Conclusion: The two day programme was very interactive.

Outcome: Helped students gain experience and also a new perspective in their journey to become a leader.

Internship Program on Android App Development

Date: 23rd June to 25th-August, 2023

No of participants: 19

Resource Person: Tony from Cuboic robotics

Objective:

The program helps the learners acquire a fundamental understanding of Android programming and its various components in detail

Report:

Internship Program on Android App development in collaboration with cuboic robotics was conducted by Electronics and Communication Technology department. 19 students of second year ECT attended offline Internship course. These students attended and completed 60 hrs certified courses.

The course duration was 23-06-2022 to 25-08-2023. In the Internship Program students learnt about the need for Android App development, Installation of eclipse and android development kit and the basic files in the android and students also learnt how to develop simple android applications. The first app developed by students is to display a simple message. From this they are familiar with how to create an app, and run the app. The second app developed by students is to display the contents in the text box as simple text. From this, they learnt how to use the components in the app development and also learnt to code for that app. The third app developed by the student is simple addition calculation. The fourth app developed by student is simple calculator.

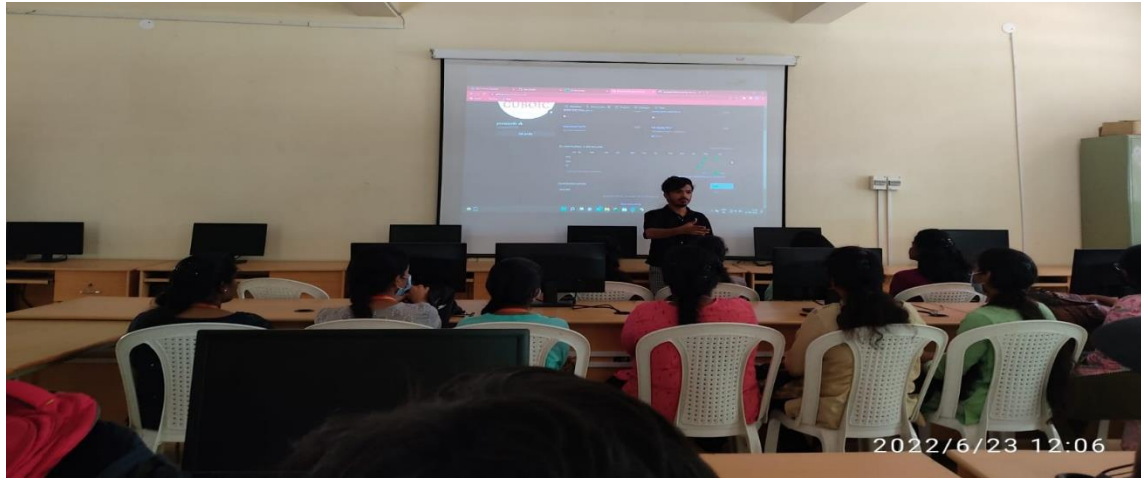

Outcome:

After the internship program the participants are very well trained with how to use android software for application development and writing code for the application

Conclusion:

Students felt that this value added session on android mobile app development was very much useful for them and they got the basic idea for developing mobile application. It is planned to extend this value added training in the next semester with some medium level of application development.
