Mrs. Jahnvi said that an ecosystem is important that will foster innovation and entrepreneurial spirit among the students and faculty. According to her an incubation centre is the institution that nurture & extend new ideas; otherwise there is wastage of talents. Now it is the requirement to transfer technology to industry. A good infrastructure is necessary for an incubation centre where there is a group of students, scientists & constant monitoring is existing.

## FELICITATING THE GUESTS-

The chief guest, Mr. Bharat Random was felicitated by Vice Principal father A. Prabhu SJ by presenting a shawl and a memento along with a sapling to honour his presence.
