WHAT'S UNIQUE ABOUT LOYOLA'S B.COM INTERNATIONAL FINANCE

Here are just some of the reasons why you should choose ACCA as your route to becoming a qualified accountant.

- Employers Know and respect our qualifications and value the skills and contribution ACCA accountants make to their organization. As an ACCA –qualified accountant, you will be in demand for having the right skills.
- Study and work wherever you want your career path to take you because ACCA qualifications are recognized and valued around the world.
- Flexibility is key when it comes to gaining your ACCA Qualification, with different starting points, study methods to choose from and choice when it comes to when and where you gain your relevant on-the-job training.

ACCA has a network of 104 offices around the world, so you can rely on the services and support you would expect to receive from a global organization.

Out of 13 papers from ACCA, B. Com International Finance has received 7 Paper exemptions and the course is structured according to the ACCA guidelines.

The program entails a student completing the entire ACCA Qualification alongside their B.Com International Finance from Loyola Academy. The student needs to attend few ACCA external examinations across 3 years of his/her B.Com International Finance Program. The classes are run on campus itself through professional trainers from ISDC (Guest Lecturers), which is the Approved Learning Partner of ACCA in the Country.
