INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months.To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested.The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement. 801 I Street NW Stop 5800, Washington, DC 20536-5800. Compassionate circumstances may include but are not limited to:

- serious illness or disability which prevents the student from being able to study; or
- death of a close family member (parent, grandparent, sibling, spouse or child); or
- political or civil event or natural disaster which prevents payment of fees.

These reasons may be accepted as grounds for a full or partial refund of fees for any of the reasons prescribed in section 3.6, provided that adequate documentary evidence is provided to support the application for a refund.
The student may also be eligible for withdrawal without academic penalty.
The process for applying for a refund and withdrawal without academic penalty in compassionate circumstances, including the time period within which an application must be lodged, is set out in the Student Administration Policy.

3.8 - Permanent Residency
3.8.1 If a student provides evidence of becoming a permanent resident of Australia prior to their commencement of study in the program and they subsequently apply for a place as an Australian resident student either as a Commonwealth supported student or a fee-paying student through the normal processes the offer of an international student place will be withdrawn and all tuition fees will be refunded.
3.8.2 If, after commencing study in the program, a student obtains permanent resident status in Australia and provides evidence of permanent resident status prior to the census date, the student will be provided with a domestic fee-paying place. The student will be eligible for a refund of the difference between the fee as an international student and the fee for a domestic fee-paying student for the period of study in which the residency status changed.
3.8.3 If a student obtains permanent resident status but does not fulfil the conditions set out in section 3.8.2 by the census date, the student will not be eligible for a full or partial refund of tuition fees paid for the period of study in which the residency status changed. On continuing their enrolment in the next period of study, the student will be enrolled as an Australian resident student in a domestic fee-paying place.
3.8.4 A student who is enrolled as a domestic fee-paying student because of a change of residency status may apply for a Commonwealth supported place at the next admission period, provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place, as set out in the *Undergraduate Programs Admission Policy*.
3.8.5 The above processes also apply to an international student who becomes a New Zealand citizen during the course of their study.

3.9 - Remittance of Refund
Students must use the University's online or hard copy refund application form and attach any required supporting documents. In the event that the information provided in the refund application is not complete and further information is required, the processing timeline will not commence until the requested information has been submitted.
All refunds for which students are eligible, with the exception of refunds arising from withdrawal from a course (refer to sections 3.6.5, 3.6.6 and 3.6.7), will be:

- Refunded to the student via the original payment method to the student's home country, less any costs associated with the refund process; or
- Upon application by the student, remitted to another Australian education institution to which the student is approved to transfer, subject to the receipt of documentary evidence from the education institution regarding the student's transfer.

An application by a student for a refund to be paid to them at an Australian address will only be considered in exceptional circumstances.
Student refunds are normally paid to the person or organisation which originally paid the fees unless documentary evidence is available to justify payment to a third party. Refunds cannot be paid until Griffith University is in receipt of the monies into its account as cleared funds.
Any debts to Griffith University must be paid in full or the outstanding amounts will be deducted from the refund which is due.

3.10 - Review of the Refund Assessment Decision
If a student is dissatisfied with the refund assessment decision, the student may forward an application for review of the decision to the Associate Director, International Administration, Griffith International, using the *Review of a Decision* form in accordance with the University's Student Review and Appeals Policy and *Student Review and Appeals Procedures*. The decision of the Associate Director, International Administration is final.

Note: This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the *Australian Consumer Law* if the *Australian Consumer Law* applies.

The University reserves the right to apply specific and different fee refund conditions to students enrolled in off-shore programs delivered with the assistance of off-shore partner organisations. Any such specific and different fee refund conditions will be outlined in the letter of offer.

3.6.5 - Program Transfer

If the student transfers from one program to another, the student is liable for the tuition fee related to the new program. Where the student has already paid the tuition fee for the first program, and the new program has a higher tuition fee, the student must pay the additional tuition fee. Where the new program has a lower tuition fee, any tuition fees in credit will be credited towards the remaining tuition fees, or refunded as provided in section 3.10.

3.6.6 - Withdrawal from Course

If the student withdraws from a course but does not withdraw from the program, and the withdrawal is affected prior to the census date (refer to Schedule H), the tuition fee for that course will normally be credited towards the remaining or future tuition fees. Alternatively, on application from the student, approval may be given for the tuition fee to be refunded as provided in section 3.10.

3.6.7 - Withdrawal from course on granting of credit

If a student receives credit for a course in which they are enrolled, the full tuition fee paid by the student for that course will be treated according to section 3.6.6, even if notification of credit approval is received after the census date.

3.7 - Withdrawal in Compassionate Circumstances - Grounds for Refund

Withdrawal in compassionate circumstances may be accepted as grounds for a full or partial refund of tuition fees.
Compassionate circumstances may include but are not limited to:

- serious illness or disability which prevents the student from being able to study; or
- death of a close family member (parent, grandparent, sibling, spouse or child); or
- political or civil event or natural disaster which prevents payment of fees.

These reasons may be accepted as grounds for a full or partial refund of fees for any of the reasons prescribed in section 3.6, provided that adequate documentary evidence is provided to support the application for a refund.
The student may also be eligible for withdrawal without academic penalty.
The process for applying for a refund and withdrawal without academic penalty in compassionate circumstances, including the time period within which an application must be lodged, is set out in the Student Administration Policy.

3.8 - Permanent Residency

3.8.1 If a student provides evidence of becoming a permanent resident of Australia prior to their commencement of study in the program and they subsequently apply for a place as an Australian resident student either as a Commonwealth supported student or a fee-paying student through the normal processes the offer of an international student place will be withdrawn and all tuition fees will be refunded.
3.8.2 If, after commencing study in the program, a student obtains permanent resident status in Australia and provides evidence of permanent resident status prior to the census date, the student will be provided with a domestic fee-paying place. The student will be eligible for a refund of the difference between the fee as an international student and the fee for a domestic fee-paying student for the period of study in which the residency status changed.
3.8.3 If a student obtains permanent resident status but does not fulfil the conditions set out in section 3.8.2 by the census date, the student will not be eligible for a full or partial refund of tuition fees paid for the period of study in which the residency status changed. On continuing their enrolment in the next period of study, the student will be enrolled as an Australian resident student in a domestic fee-paying place.
3.8.4 A student who is enrolled as a domestic fee-paying student because of a change of residency status may apply for a Commonwealth supported place at the next admission period, provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place, as set out in the *Undergraduate Programs Admission Policy*.
3.8.5 The above processes also apply to an international student who becomes a New Zealand citizen during the course of their study.

3.9 - Remittance of Refund

Students must use the University's online or hard copy refund application form and attach any required supporting documents. In the event that the information provided in the refund application is not complete and further information is required, the processing timeline will not commence until the requested information has been submitted.
All refunds for which students are eligible, with the exception of refunds arising from withdrawal from a course (refer to sections 3.6.5, 3.6.6 and 3.6.7), will be:

- Refunded to the student via the original payment method to the student's home country, less any costs associated with the refund process; or
- Upon application by the student, remitted to another Australian education institution to which the student is approved to transfer, subject to the receipt of documentary evidence from the education institution regarding the student's transfer.

An application by a student for a refund to be paid to them at an Australian address will only be considered in exceptional circumstances.
Student refunds are normally paid to the person or organisation which originally paid the fees unless documentary evidence is available to justify payment to a third party. Refunds cannot be paid until Griffith University is in receipt of the monies into its account as cleared funds.
Any debts to Griffith University must be paid in full or the outstanding amounts will be deducted from the refund which is due.

3.10 - Review of the Refund Assessment Decision

If a student is dissatisfied with the refund assessment decision, the student may forward an application for review of the decision to the Associate Director, International Administration, Griffith International, using the *Review of a Decision* form in accordance with the University's Student Review and Appeals Policy and *Student Review and Appeals Procedures*. The decision of the Associate Director, International Administration is final.

Note: This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the *Australian Consumer Law* if the *Australian Consumer Law* applies.

GRIFFITH COLLEGE

The Graduate Business School at Griffith College

Students who join the Graduate Business School at Griffith College Dublin will gain an excellent internationally recognised qualification and have the opportunity to gain professional experience in Ireland.

Delivered in a staged format, students gain qualifications at various points on the programme. At any given point, students can exit the programme with a qualification or proceed with their studies to the final award of MBA in International Business.

The course is delivered in the following stages:

1. Professional Certificate in International Business Management

The duration of this stage is one semester and is primarily for students who do not have a business related qualification. It is a bridging programme to provide students with an introduction to International Business.

2. M.Sc. in International Business Management

It consists of two taught semesters, providing students with a challenging and rewarding academic experience. Students must also complete a M.Sc. Research Project.

3. MBA in International Business

The MBA in International Business in Griffith College is awarded in one of two ways:

a. Students who have requisite work experience are exempt from the M.Sc. in International Business Management stage and may directly enter the MBA stage following the Graduate Diploma. This stage consists of an MBA dissertation.

b. If students do not have the requisite work experience and successfully complete the M.Sc. in International Business Management, they are eligible to gain this work experience in Ireland. The Irish Immigration Authorities provide graduates of the M.Sc. in International Business Management with visa support through an "Experiential Learning" Visa which permits them to enter full time employment for one year. Griffith College will provide such graduates with advice about employment opportunities to assist them in completing the MBA programme. However, it is important to note that the College does not undertake to place students in employment.

To qualify for this "Experiential Learning" Visa, students must secure employment relevant to their area of study. Students then present the details of the position, along with a letter from their employer and a supporting letter from Griffith College to the immigration office. Assuming the student has been offered a position that is relevant to their area of study and which provides a salary befitting the position, the student will receive the "Experiential Learning" Visa. Upon completion of this one year visa, students can choose to enter the Graduate Employment Scheme to gain additional working experience in Ireland. Alternatively, students can enter the Graduate Employment Scheme directly after the MSC in International Business Management.

Dear Dharani
Congratulations! We are pleased to make you **a conditional offer** to study with Brunel University London from September 2023. Please read this letter carefully as it contains everything you need to know about your offer.

Your Course

Your Brunel Student ID:	2323344
Course Title:	MA Media and Public Relations
Department:	Department of Arts and Humanities
Mode of Study:	Full-Time
Location of Study:	Uxbridge
CAH3 code:	CAH24-01-05 (Media studies) CAH24-01-02 (Publicity studies)
Academic Level:	Masters Degree

Registration Date:	11 September 2023
Teaching will begin on:	18 September 2023
End Date:	19 September 2024
Tuition Fees:	Based on the information you have provided on your application form you have been classed as an Overseas student for fees purposes. Tuition fees for 2023/4 will be £19,330. Fees and Additional Costs are payable for each year of your course. Fees for any subsequent year of study will not increase by more than 5% each year. We have assessed your fee status against regulations set by the UK government. For information on these regulations please visit the independent organisation UKCISA's website. If you think we have incorrectly identified your fee status you should contact the Admissions Office immediately. If you are being sponsored by a company, organisation, or charitable trust you must provide us with a sponsor letter (financial guarantee) before or when you register, otherwise you will be deemed a self-funded student responsible for paying your own fees. You can find a full copy of our current Student Financial Policy (applicable to all students joining Brunel from 1 September 2022 onwards) on our website. **Payments from Sanctioned Countries** All payments made to Brunel University London must be compliant with International Sanction laws. It is your responsibility to ensure that you are not breaching any of these laws when making payments to us. For more information, including a list of countries where these sanctions apply, please visit this webpage. If you are resident in a country that is subject to sanctions, we will send you a separate email in due course containing a questionnaire that you must complete. Please note, you will not be permitted to register on your course until you have completed this questionnaire and received a successful review from the Brunel Finance team.
Additional Costs:	Your course may carry additional course-related costs that you will be required to pay. Please read the 'Additional Costs' document to see if any additional costs apply to your chosen course.

Your Offer

Your offer is conditional on the following:

- Provide a deposit of £5000 or evidence of approved sponsorship or a scholarship of this value (this does not include a scholarship awarded by Brunel University London). Please pay your deposit within 28 days of receiving your offer in order to secure your place. For any deposits paid after this date, places will be reviewed subject to course vacancies. Details on how to pay the deposit can be found at http://www.brunel.ac.uk/international/fees-and-funding/making-a-payment. The best way to make a deposit payment is to pay online as we will receive this more quickly and may be able to process your unconditional offer sooner. The deposit will be deducted from your tuition fees. Please consult the Admissions Policy (below) for full details of the refund policy if you subsequently do not join Brunel.

You must meet all of these conditions (and provide evidence of this to the Admissions Office) at least 2 months before your course Registration Date, which is listed at the top of this letter.This is particularly important if you will need a Visa to study with us - please note there may not be enough time to issue you with a CAS if you do not send us evidence you have met your conditions in good time. Please upload colour copies of all documentary evidence to your my Applications portal. If you don't think you will be able to make this deadline you must contact us as soon as possible.

Please note that if you require a Student Visa to study in the UK, you must meet the conditions of your offer as soon as you possibly can. We can only issue a Confirmation of Acceptance for Studies (CAS) once you have an unconditional offer and it is important to receive this in good time to make the visa application before the start of your course. You may be required to defer your place if it is not possible for you to obtain a Student Visa in time to start your course.

If you do require a Student Visa to study in the UK, before we can issue you with a Confirmation of Acceptance for Studies (CAS) to apply for a Student visa we will check that you can meet the UK Student visa requirements. As part of this check we will assess whether you meet the 'academic progression requirements' for a Student visa, as well as your UK immigration history (if applicable). This is to ensure you can make a successful visa application.

This offer is not a guarantee of a CAS being issued and we reserve the right to withhold a CAS if, on rare occasions, we do not believe you can make a valid visa application. If this is the case we will contact you to let you know, and only after you have met any other outstanding conditions to your offer.

Registration requirements

When it is time to join your course and register as a Brunel University London student, you must provide the following:

- Provide evidence of approved sponsorship or a scholarship, or pay at least 40% of the course fee for this academic year (any deposit payment you make will count towards this payment).
  If you need help understanding what 40% of your tuition fee would be, if you are joining an Undergraduate, Postgraduate Taught or Research degree programme you can find some guidance on our website. However, please be aware that the information quoted on this page has not taken into account any discounts or scholarships you may be eligible for. Discounts and scholarships will normally be applied to your tuition fee when you register, or very soon afterwards.

Your Student Contract

Please check the details of the offer we are making to you:

1. Is this the course you intended to apply for?

2. Is the mode of attendance correct (full time, part time, sandwich, online, distance learning, study outside of the UK, etc)?

3. Is this the start date you wanted?

If anything is incorrect, please contact us immediately.

It is important that you read your offer carefully. We have based your offer on the information you provided when you applied. If your conditions include completing qualifications that you are no longer taking, or if you anticipate any problems with being able to meet your conditions, you must contact us straightaway.

Please be aware that if:

- You do not satisfy the conditions set out above by/at the relevant time;
- You fail to provide evidence as or if required;

  and/or

- It becomes apparent to us that any of the information you have provided to us, at any time, is false, inaccurate, misleading or incomplete,

We may withdraw your offer of a place and you will not be able to register on the course, or if relevant, we may terminate our contract with you.

By accepting our offer:

- You are agreeing to be subject to the terms and conditions set out in this letter.
- You are agreeing to and certify that you are, on the date of accepting your offer, fully compliant with Brunel University London's Terms and Conditions, Statutes, Council Ordinances and Senate Regulations, and all University rules, policies and procedures in force; in particular, but without limitation, the University's Admissions Policy and the provisions within the policy relating to eligibility for admission. Full details and our Terms and Conditions can be found on our website. You might find the following sections of particular use: the **Student Contract, Student Finance Policy** (which includes information about the payment of fees) and the **Student Complaints Procedure**. You should read these before accepting your offer.
- A legal contract is formed between you and the University on the basis of the terms and conditions of your offer that are set out in this letter.

Please review the Admissions Policy here. In accordance with our ongoing process to review and update our policies periodically, this may have been updated since the date of your application.

How to accept your offer

To let us know whether you would like to accept your offer please log into your my Applications portal and click on the 'Respond to offer' button. We would advise you to accept your offer and pay your deposit as soon as possible in order to secure your place.

*Limited places available

In recent years our courses have been in high demand, which means places will be filled on a first-come-first-served basis. With this in mind we encourage you to accept your offer, pay your deposit and meet your offer conditions as soon as possible in order to secure your place. If you do this after your course meets their department limit we may need to defer your place to the next available entry point. Please refer to this webpage for further information.

Your right to cancel your agreement

You have the right to cancel your contract with us within 14 days of accepting this offer, without giving any reason. The cancellation period will expire after 14 days from the day you accept your offer. To

exercise the right to cancel, you must inform Brunel University London of your decision to cancel in writing, i.e. e-mail. To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired.
Please note that if your studies with us will start within the cancellation period, you may not be entitled to a full refund of any fees you have already paid to represent the value of any services actually provided to you before the expiry of the cancellation period. For information on your legal right to cancel this contract, visit our website.

Further Information

Student Immigration Information

If you need a Student Visa to study in the UK, please note that this letter is NOT the Confirmation of Acceptance for Studies (CAS) that you need in order to apply for a Student Visa, if you need this to study in the UK. Under the current regulations, a CAS is only valid for 6 months. We will issue your CAS no more than 6 months before the start of your course, provided you have an unconditional offer at that point. If you have an unconditional offer but have not received your CAS 6 months before the course start date, please contact

- **Estimated costs of living**

  From 1 December 2020, to meet UK Visas and Immigration (UKVI) finance requirements, when you apply for your Student Visa you will need to show that you have £1,334 for living costs for every month of your course (up to a maximum of 9 months or £12,006). This is in addition to your remaining tuition fees, and may not accurately reflect your personal costs. We recommend that you plan your finances accordingly before you start your course. Useful advice about this can be found on the UK Council for International Student Affairs (UKCISA) website. Note that if your Student visa application is made before 1 December 2020, the monthly finance requirement for your living costs is £1,265 (or £11,385 for nine months).

- **Changing the course that you wish to study**

  Now that you have been offered a place, we recommend that you ensure this is the course you definitely wish to study. Under the current UK Immigration Rules, once a Student Visa has been obtained, there are restrictions on the ability of a student to change courses on that visa. In some cases, the course change may only be possible if a new Student Visa application is made from outside of the UK. Please contact the Admissions Office **before** you are issued a Confirmation of Acceptance for Studies (CAS) if you wish to study another course.

If you require any further visa or immigration advice, please refer to our website: https://www.brunel.ac.uk/international/visas-and-immigration
