■ Tuition Fees

Your tuition fees, and the commencing fee payable when you accept your offer, are detailed in **Section 1** above. The fees shown include a Student Services and Amenities Fee (SSAF) for international students. If you have been granted credit for prior studies and/or experience (see **Section 1**), the maximum total tuition fee shown in **Section 1** reflects the amount of credit granted.

Tuition fees are subject to an increase in each calendar year of study. If there is a difference between the fees shown above and the approved [University schedule of tuition fees](#), the approved University schedule will apply.

Visit our [fees page](#) and follow the links to see if any incidental fees (additional to your tuition fee) apply to your course.

You can choose to pay more than 50% of your total tuition fees before the course commences. This is permitted under the *Education Services for Overseas Students (ESOS) Act 2000*. You are not required, however, to pay any more than the amount indicated in **Section 1**.

Overseas Student Health Cover

You are required by the Australian government to pay a compulsory **Overseas Student Health Cover (OSHC)** fee to cover the full length of your student visa. This is a requirement for all international students. Please note that OSHC fees are subject to change each year and any overpayment will be credited to your account.

We have included a quote for OSHC in your offer details, however if you already have pre-arranged OSHC for the duration of your student visa, please provide evidence of this when you submit your Acceptance Form.

Further information on health cover, including OSHC for your family, is available [here](#).

■ Books, Materials, Equipment, Field Trips

You may be charged for items, amenities or services which are incidental to studies undertaken as part of a course of study. Details of the relevant University policy are available [here](#). Examples of incidental costs you may incur are for special equipment such as lab coats or specific uniforms required for placement, or fieldwork or excursion expenses. You will also need access to copies of set textbooks and readings (which are a combination of articles and chapters for a specific topic). These can be purchased or accessed from the library.

Administration Charges

Administration charges apply in the following matters:

- If your enrolment is cancelled due to outstanding tuition fees and you request reinstatement of enrolment, a reinstatement charge of \$100 may apply.

■ Living Expenses

International students normally need around AUD\$24,505 annually to cover living expenses in Australia. You should budget for approximately this amount. Note, however, that depending on your lifestyle and other factors you might need more or less than this. Our [Cost of Living Calculator](#) will help you determine the amount you will need.

Section 3: University Services and Policies

■ Health, Counselling and Disability Services

The University provides international students access to a range of free and confidential student services. These services include personal counselling, disability services and many online resources. Dear Abhinaya Thota,

I am very pleased to inform you of your admission to the Data Science MS program at the University of Massachusetts Dartmouth. Your acceptance is for the Fall 2024 semester.

The Chancellor, Provost, deans, faculty, and students join me in congratulating you for possessing the personal and academic qualities that enabled you to gain admission to a UMass Dartmouth graduate program. We welcome you to the challenging academic environment that characterizes our university.

Your UMass Dartmouth student identification number is 02170357.

Because you are an international student who will need our authorization for the F-1 student visa, you must attend to some special matters. Specifically, if you accept the admission offer and want to enroll, you must submit documentation that proves you have sufficient financial support for us to issue the Form I-20 to you. Please log into the Applicant Portal and review the Enrollment Checklist. If you notice that a passport, official bank statement, and/or affidavit of support is missing, please upload the missing item(s).

We will send you a series of emails c/o thotaabhinaya02@gmail.com with instructions on next steps. Many of these steps are required for successful enrollment.

Please confirm your enrollment intentions by completing the Enrollment Form in the Applicant Portal. Please do this as soon as possible. Otherwise, we reserve the right to cancel your acceptance and award it to another candidate. Unless additional items are required (e.g., unless you are an international student who must still provide documents so we can issue the Form I-20), you can register for courses soon after you submit the Enrollment Form. New students may register at any time during the registration period; however, we encourage you to register as soon as possible because some courses do fill up quickly.

For course selection and advising matters, please contact the [Graduate Program Director](#), Ashokkumar Patel.

If you are currently in a degree program that is prerequisite to ours, you must provide an official transcript notifying us of its successful completion before you start your first semester of study here.

We look forward to your joining the UMass Dartmouth community as a graduate student, and we wish you fulfillment and success in pursuit of your goals.

Sincerely,

Scott Webster

Important Information About Your Conditional Offer You have a statutory right to cancel within 14 days of accepting your offer. To exercise this right, you must inform the University of your decision by a clear statement (eg an email or a letter). Refer to clause 3.6 of the University's terms and conditions for further information on your right to cancel.

This conditional offer provides no guarantee that a CAS will be assigned to you. The University has a limited number of CAS that it can issue and due to UKVI rules that govern its status as a student sponsor, the University will only assign a CAS where it is believed that a subsequent visa application will be successful. Therefore, notwithstanding your offer, the University reserves the right to refuse to assign a CAS if there is no more availability or if there are reasonable grounds for suspecting your subsequent visa application will be unsuccessful.

If you are required by UKVI to demonstrate maintenance (evidence to show you have sufficient funds to cover your tuition fees and living costs), you will be required to provide this through CAS Shield before you will be considered for a CAS. We will only issue your CAS number once we are satisfied with the maintenance documents that you have provided to us. This is for us to determine that you have satisfactory evidence to submit to UKVI as part of your Student Visa application to demonstrate your funds and to mitigate the chance of your visa being refused. Please check tees.ac.uk/international/immigration for guidance on the University's process for assigning a CAS.

Important information

This information forms part of your agreement with Deakin University.

Key dates

Key dates including course start and finish dates for the main study periods, end of unit assessment and exam period, census dates, public holidays and holiday breaks can be found in the [University Handbook](#).

Please note, you are advised to check your course outline for information about study or placement requirements which may occur outside of these dates.

Course Information

Detailed information about your course can be found in the [University Handbook](#). Use the Handbook to view electives, majors and units for your course. You generally need to follow the course rules which correspond to the year you commence your course.

Course duration and expected completion date

The full duration of your course is based on a standard full-time enrolment to be maintained by international students, in each academic year or a compulsory study period.

The expected course completion date is stated in this offer and on your Confirmation of Enrolment (COE). This is the completion date of your course if you follow an approved study plan and maintain satisfactory course progression. Should you fail any units, change a major or stream, or transfer courses, your course completion date is likely to change, and you may be required to apply for a CoE extension. This may result in additional costs related to a new visa application, extended OSHC and living costs in Australia.

Some mandatory or non-mandatory parts of this course must be taken on campus. Please ensure you read the course outline in the [University Handbook](#) carefully to understand your obligations.

Unexpected circumstances

Deakin University acknowledges there may be unexpected circumstances which are beyond the university's control, that may affect the capacity of Deakin University to deliver courses as planned. Should this occur, Deakin University may make reasonable adjustments to course delivery in the best interest of students, in accordance with Australian laws and announcements from Department of Home Affairs (DHA) and the Tertiary Education Quality and Standards Agency (TEQSA).

Accommodation

Deakin offers on and off campus accommodation options for students at all four campuses. For full details about [Deakin's accommodation](#). For homestay accommodation, please view [Homestay | Deakin](#).

Orientation

International students are strongly encouraged to attend orientation. Discover the services and facilities on your campus, get to know more about your course, meet other students and learn important information all international students need to know. Attending orientation will help you to feel more confident about starting your university journey at Deakin. Visit the new students [orientation webpage](#) for information.

For Deakin University English Language Institute (DUELI) orientation, please visit [DUELI orientation](#).

Study requirements

Enrolment, course, and unit requirements

You must enrol in your course before the agreed course start date on your CoE. If you do not enrol by this date, your CoE

will be cancelled for non-commencement and your offer will expire. You will be required to request a deferral and accept a new offer.

The [University Handbook](#) contains course and unit information for all study periods. Course level information includes course structure, indicative workload, and course rules, including any requirement to complete Work Integrated Learning (WIL). Unit level information includes prerequisites, modes of study, contact hours, content, assessment, and other requirements to complete the unit. For example - National Police Record Check, Working with Children Check or immunisations.

Work Integrated Learning (WIL) includes an industry work placement as a compulsory part of your degree. There are different types of industry work placements, including industry-based learning (IBL), work-based learning, career placement, community-based placement and volunteering placement. These placements can start at any time and are not linked to a particular study period. Please check the [University Handbook](#) for any compulsory WIL requirements relating to your course or further information.

Your Unique Student Identifier

During your enrolment, you will need to provide your [Unique Student Identifier \(USI\)](#) to Deakin by nominated deadline. This is an Australian government requirement for higher education students. Applying for a USI is fast and free, and you keep the same USI for life. Visit Deakin's [Unique Student Identifier webpage](#) for information about [how to apply for an USI](#) and how to provide this to Deakin.

Course progress

Student visa condition 8202 states you must remain enrolled and maintain satisfactory course progress for each study period. Deakin reviews all students' academic progress each study period of your award course. Find out more about maintaining good academic progress and the services and support Deakin offers on our [academic progress webpage](#).

Deakin University English Language Institute (DUELI) students undertake several assessment tasks throughout each DUELI level. You are required to pass these assessment tasks to progress to the next level or meet the English language requirements to enter your award course. An 80% overall attendance rate is required throughout your DUELI course. Please read the DUELI's [attendance and progress procedures](#) which describe requirements and include arrangements for special consideration and how to appeal a decision.

If you fail a same DUELI level, three times you may not be able to continue your studies at DUELI.

Deakin is required to report unsatisfactory attendance and unsatisfactory progress to the Department of Home Affairs, and this may impact your student visa. You may not be eligible to continue in your award or DUELI course if you do not meet satisfactory course progress and/or attendance requirements.

Student Code of Conduct and Academic integrity

If you accept this offer, you are bound by the Deakin Student Code of Conduct. Deakin is committed to honesty, trust, fairness, respect, and responsibility in academic settings. To understand your obligations, please view the Student Academic Integrity policy

If you do not meet Deakin's academic integrity standards, the alleged breach will be investigated under the Student Academic Integrity procedure. After the investigation and a hearing, it is determined you have breached Deakin's standards, the outcomes can range from a formal warning to suspension, or permanent exclusion from the University (which will result in cancellation of your CoE) or the rescinding of your degree. Should your CoE be cancelled due to academic misconduct, your visa may be at risk of cancellation.

Online study

While onshore on a student visa, international students can undertake maximum 33% (one third or equivalent) of their course online, with at least one unit of face-to-face study in a compulsory study period. You can only enrol into one online unit in a compulsory study period, if it is your final unit, required to complete your course. More information is available on the Deakin current students website.

Forced intermission

If you are unable to enrol in a compulsory study period due to non-availability of unit/s, you are required to apply for a

break from your studies (an intermission). However, if you do not submit an intermission application despite forewarning from the University, you will be placed on intermission and will be notified by email. This may impact your course completion date and result in an extension of your OSHC and student visa, at your own cost.

Study support

Deakin has a team of staff and students dedicated to providing study support services to help get the most out of your learning experience. If you are failing assessments and/or do not feel you are doing as well as you could, please seek help. Deakin has a range of study support services you can access.

Health and wellbeing support services

Deakin offers a range of support services for all students to assist with adjusting to study in Australia and personal issues you may be experiencing.

Critical incident

Deakin is committed to effectively managing critical incidents. Deakin has a robust Critical Incident Management Policy which applies to the management of any critical incident, that has an impact on the Deakin community or University activities. For more information on Deakin's Critical Incident Management Policy.

Fees

Tuition fees

The tuition fee on your Letter of Offer and CoE are indicative/estimated fee amounts and based on current rates applicable at the date of this offer. Tuition fees are subject to review each year and may increase to accommodate the cost of delivering the course and support during your studies. You can choose to pay more than 50% of your indicative/estimated tuition fees before course commencement.

If you pay more than 50% of your indicative/estimated tuition fees, your indicative/estimated annual tuition fees will be reassessed and are subject to adjustment based on the year you commence your course. You will be liable to pay the difference from your initial deposit amount upon your commencement.

If your tuition fees are not paid in full by the invoice due date, your enrolment at Deakin will be terminated for non-payment of fees and will be reported to the Department of Home Affairs by way of cancellation of your CoE. Your tuition fees cannot be paid in instalments.

Non-tuition fees

You may incur other costs while studying your course. For example, costs associated with some units, such as a laboratory coat for a chemistry unit. These costs may also vary based on how you choose to obtain items. For example, purchasing textbooks and stationery online or at a supermarket. You may also find some items you require available as second-hand items.

For more information on Deakin's [non-tuition fees and cost](#).

Fee payment scams

Do not make payments for your fees to any third party offering a discount or using any method not provided by Deakin. Find out more on our '[Payment options webpage](#)'.

Overseas Student Health Cover (OSHC)

It is an Australian Government requirement (student visa condition 8501) that all international students holding a student visa are covered by OSHC throughout their stay in Australia. If you are accompanied by a spouse (partner) or children, you are required to purchase the relevant couple or family policy.

To be granted a student visa, your OSHC must cover an additional period from your arrival in Australia, prior to your course start date, and for a minimum of two months after your course end date on your CoE. Please view the Department of Home Affairs Length of stay for Student visas for more information.

Deakin's preferred provider is BUPA, and you can purchase OSHC through Deakin. The OSHC rate contained in this Letter of Offer is correct at the time of offer. On an annual basis, BUPA may adjust their rates and these adjustments may affect the amount you are required to pay. Please accept your offer as soon as possible to secure this rate. If there is a change in the BUPA rate, you will be notified.

For more information about the BUPA products visit [BUPA Overseas Student Health Cover](#). You can also download a pdf of the policies for [Singles](#), [Couples](#) or [Families](#).

Department of Home Affairs funds capacity requirements

Financial capacity requirements including cost of living, schooling for school age dependents and access to funds are outlined at [Department of Home Affairs Subclass 500 student visa](#).

Student visa condition 8516 states that you must continue to satisfy the requirements for grant of your student visa. This means you continue to have sufficient financial capacity to support your study and stay in Australia on a student visa (including your dependents).

Be aware of fraudulent tuition fee messages

What has been happening

There have been instances occurring where international students are being approached in person or via social media and other channels by individuals offering to pay their university tuition fees for them at a reduced rate if they use a 'third party facilitator'.

If you are unsure how to pay

If you are unsure how to pay your London Metropolitan University fees, please contact our internationally recognised income collections team via email at incomecollection@londonmet.ac.uk. They will help you to find the best payment method for you and consider your payment options.

You should be aware that students can be put under pressure by fraudsters to reach a quick agreement, such as being told that the 'exceptional' exchange rates on offer will expire shortly. In fact, these individuals are taking money from the students and paying their fees using compromised bank card details – which could lead to you having to pay twice.

Please do not ever respond to these offers and always pay any fees directly to the London Metropolitan University by using our authorised payment methods. Paying through our authorised methods is the only way to guarantee your place to study with us and your funds.

How the fraud is carried out

Scams are predominantly carried out

Scams are predominantly carried out online using large numbers of compromised cards. In many cases students have shared their student ID and their date of birth to allow fraudsters to 'pay on their behalf'. Please do not share your unique student number, date of birth, or any login details with others.

Adelaide University

We are building a future-focused university with the objective of delivering a nation-leading curriculum and student experience.

The University of Adelaide and the University of South Australia are working together to combine the strengths of the two universities to create Adelaide University from 1 January 2026. The University of Adelaide will continue to operate until the start of 2026. Subject to legal and regulatory approvals, it is proposed that students enrolled before 2026 and who are yet to finish their studies will transition to the new university in 2026, in either their existing or an equivalent program. We are committed to supporting all students through the transition.

Program information will be published as soon as it becomes available. Find out more at www.adelaideuni.edu.au.

Tuition Fees

The Estimated Annual or Total Tuition Fee is based on the current available year's published program fees at a standard full-time enrolment (24 units per year). The Program Deposit as mentioned within the Acceptance Form will be allocated towards your tuition. Payment in excess of the Acceptance Fee will not be refunded but will remain on your account to be used for future tuition payments. Tuition Fees are reviewed annually and may increase in future years. To confirm the annual tuition fee for future years, refer to Degree Finder at www.adelaide.edu.au/degree-finder six months prior to the commencement of the program. Your tuition fees will be based on your enrolment and the fees set for that year.

The majority of the University's programs are offered in semesters; however, some programs are taught across different teaching periods such as trimesters. Students will be invoiced at the beginning of their teaching periods. The actual tuition fees charged will be based on a student's unit enrolment and the published annual program fees for the year of enrolment. Should a student 'overload' or 'underload', their fees will be increased or decreased accordingly. For example, students enrolled in 12 units will be charged half of the published annual tuition fee for the year of study. Degree Finder contains comprehensive information about your program, for more information, please visit www.adelaide.edu.au/degree-finder.

Student Services and Amenities Fee (SSAF)

You are required to pay an annual fee for the provision of essential, non-academic services. For more information, please visit www.adelaide.edu.au/student/finance/student-services-and-amenities-fee. The 2025 fee is \$365 based on full-time enrolment and is subject to annual increases. Students will be invoiced for this fee separately, after commencing in their program.

Non-Tuition Fees

You may incur additional costs for items such as field trips, excursions, textbooks, specialist study equipment (e.g. laboratory coats, microscopes), optional supplementary reading and academic program materials, first aid certificates, vaccinations, clearances, library fines and expenses such as thesis preparation, printing and binding. Non-tuition fees vary between programs. For more information, please visit www.adelaide.edu.au/student/finance/other-fees/.

Overseas Student Health Cover (OSHC)

It is a condition of your student visa that you purchase and maintain Overseas Student Health Cover (OSHC) for the duration of your visa for yourself and any dependants. Some exceptions may apply if you are a student from Sweden, Norway, or Belgium. For more information, please visit www.privatehealth.gov.au/health_insurance/overseas/overseas_student_health_cover.htm.

The University can arrange OSHC for you through Medibank, our preferred supplier, who exclusively offer Comprehensive OSHC to their education partners. Medibank Comprehensive is not available directly and can only be purchased through the University of Adelaide. It meets the student visa requirements for all course types and provides a range of added value services above government minimum requirements. For more information, please visit www.medibank.com.au/overseas-health-insurance/oshc/comprehensive-oshc.

The OSHC fee quoted in this Offer of Admission is accurate at the date of issue but is subject to change. We are committed to supporting all students through the transition.

Tuition Fees

The Estimated Annual or Total Tuition Fee is based on the current available year's published program fees at a standard full-time enrolment (24 units per year). The Program Deposit as mentioned within the Acceptance Form will be allocated towards your tuition. Payment in excess of the Acceptance Fee will not be refunded but will remain on your account to be used for future tuition payments. Tuition Fees are reviewed annually and may increase in future years. To confirm the annual tuition fee for future years, refer to Degree Finder at www.adelaide.edu.au/degree-finder six months prior to the commencement of the program. The majority of the University's programs are offered in semesters; however, some programs are taught across different teaching periods such as trimesters. Students will be invoiced at the beginning of their teaching periods. The actual tuition fees charged will be based on a student's unit enrolment and the published annual program fees for the year of enrolment. Should a student 'overload' or 'underload', their fees will be increased or decreased accordingly. For example, students enrolled in 12 units will be charged half of the published annual tuition fee for the year of study. Degree Finder contains comprehensive information about your program, for more information, please visit www.adelaide.edu.au/degree-finder.

THE UNIVERSITY
of ADELAIDE

Adelaide University

We are building a future-focused university with the objective of delivering a nation-leading curriculum and student experience.

The University of Adelaide and the University of South Australia are working together to combine the strengths of the two universities to create Adelaide University from 1 January 2026. The University of Adelaide will continue to operate until the start of 2026. Subject to legal and regulatory approvals, it is proposed that students enrolled before 2026 and who are yet to finish their studies will transition to the new university in 2026, in either their existing or an equivalent program. We are committed to supporting all students through the transition.

Program information will be published as soon as it becomes available. Find out more at www.adelaideuni.edu.au.

Tuition Fees

The Estimated Annual or Total Tuition Fee is based on the current available year's published program fees at a standard full-time enrolment (24 units per year). The Program Deposit as mentioned within the Acceptance Form will be allocated towards your tuition. Payment in excess of the Acceptance Fee will not be refunded but will remain on your account to be used for future tuition payments. Tuition Fees are reviewed annually and may increase in future years. To confirm the annual tuition fee for future years, refer to Degree Finder at www.adelaide.edu.au/degree-finder six months prior to the commencement of the program. Your tuition fees will be based on your enrolment and the fees set for that year.

The majority of the University's programs are offered in semesters; however, some programs are taught across different teaching periods such as trimesters. Students will be invoiced at the beginning of their teaching periods. The actual tuition fees charged will be based on a student's unit enrolment and the published annual program fees for the year of enrolment. Should a student 'overload' or 'underload', their fees will be increased or decreased accordingly. For example, students enrolled in 12 units will be charged half of the published annual tuition fee for the year of study. Degree Finder contains comprehensive information about your program, for more information, please visit www.adelaide.edu.au/degree-finder.

Student Services and Amenities Fee (SSAF)

You are required to pay an annual fee for the provision of essential, non-academic services. For more information, please visit www.adelaide.edu.au/student/finance/student-services-and-amenities-fee. The 2025 fee is \$365 based on full-time enrolment and is subject to annual increases. Students will be invoiced for this fee separately, after commencing in their program.

Non-Tuition Fees

You may incur additional costs for items such as field trips, excursions, textbooks, specialist study equipment (e.g. laboratory coats, microscopes), optional supplementary reading and academic program materials, first aid certificates, vaccinations, clearances, library fines and expenses such as thesis preparation, printing and binding. Non-tuition fees vary between programs. For more information, please visit www.adelaide.edu.au/student/finance/other-fees/.

Overseas Student Health Cover (OSHC)

It is a condition of your student visa that you purchase and maintain Overseas Student Health Cover (OSHC) for the duration of your visa for yourself and any dependants. Some exceptions may apply if you are a student from Sweden, Norway, or Belgium. For more information, please visit www.privatehealth.gov.au/health_insurance/overseas/overseas_student_health_cover.htm.

The University can arrange OSHC for you through Medibank, our preferred supplier, who exclusively offer Comprehensive OSHC to their education partners. Medibank Comprehensive is not available directly and can only be purchased through the University of Adelaide. It meets the student visa requirements for all course types and provides a range of added value services above government minimum requirements. For more information, please visit www.medibank.com.au/overseas-health-insurance/oshc/comprehensive-oshc.

The OSHC fee quoted in this Offer of Admission is accurate at the date of issue but is subject to change. The University reserves the right to adjust the OSHC fees in accordance with Medibank's policies and you may be invoiced if there is a difference. You do not have to arrange OSHC through the University you can choose to arrange your own policy directly with an OSHC provider of your choice.

If you want your previous studies to be considered for credit, you can apply now before accepting your Offer of Admission. Name: Ms Jagrati Singh

THE UNIVERSITY
of ADELAIDE

The University's full Student Fees Refund Policy and Procedures can be viewed here: www.adelaide.edu.au/policies/4343.

Applications for a refund of a credit balance can be submitted via the Refunds webpage: www.adelaide.edu.au/student/finance/refunds.

International coursework students requesting a refund of the Acceptance Fee can request a refund by emailing icteam@adelaide.edu.au.

Refund Principles

1. A refund can only occur if a student has a credit balance on their student finance account.
2. Refunds will be processed after all other financial obligations to the University have been discharged, including (but not limited to) library fines, student loans, and accommodation charges.
3. Refund payments are normally made directly into a bank account, unless paid by credit / debit card. Bank details may be required, even if the refund is to the original credit / debit card, to ensure payment can be finalised.
4. All refunds are made in Australian dollars and are payable to the student's nominated account, with the following exceptions:
 - a. The student is supported by a recognised third-party sponsor and that sponsor is entitled to the refund (as per the Education Services for Overseas Students (ESOS) Act, s.47D(3)(b)).
 - b. In the event a country is subject to financial sanctions, refunds cannot be paid to a bank in a sanctioned country.
 - c. If the original payment was made by credit / debit card via BPOINT, the refund will be processed back to the original credit / debit card. The merchant surcharge fee will also be refunded unless a partial refund is being made, in which case the surcharge fee will not be refunded.
 - d. If the original payment was made via Flywire, the refund will go back to the original bank account, credit/debit card.
5. When a refund is payable, and the applicable refund form has been completed, and all requested information and documentation relating to the refund has been provided, the refund will be processed under normal circumstances within 28 days of the receipt of all required information by the University except where:
 - a. the University was unable to provide the program offered at any time on or after the agreed start date, the refund will be processed within 14 days.
 - b. receipt of payments to overseas bank accounts incurs delays that are outside of the University's control.

Refund Eligibility

Refund of First Tuition Payment

2. Full Refund of all fees paid (including, but not limited to, Pre-Enrolment English Programs, General English for Academic Programs, and all tuition fees paid) if the Student's application for a student visa is refused by DHA prior to the Census Date* in their First Teaching Period and the student presents certified evidence of the refusal to the University.
3. Refund of tuition fees paid less 10% of the First Tuition Payment if:
 - a. Student gives written notice to the University of their decision to request a refund and withdraw from their Program at least four (4) weeks before the commencement of their First Teaching Period **; or
 - b. University withdraws Offer of Admission based on incorrect and/or incomplete information provided by the applicant or their agent; or
 - c. Student does not meet the entry requirements of their Conditional Offer and has given written notice to request a refund to the University prior to the Census Date of their First Teaching Period.
4. Refund of tuition fees paid less 50% of the First Tuition Payment if:

Student requests to defer their offer less than (4) weeks before the commencement of their First Teaching Period and then gives written notice to the University of their decision to request a refund and withdraw from their Program prior to the Census Date of their deferred First Teaching Period.

10. Student withdraws from their program after their First Teaching Period Census Date and part of their First Tuition Payment remains unused on their account;

Australian or international law [including but not limited to the Charter of the United Nations (Dealing with Assets) Regulations 2008, Autonomous Sanctions Regulations 2011, or the Anti-Money Laundering and Counter-Terrorism Financing Act 2006] prevents the University from making the refund payment.

Overseas Student Health Cover (OSHC) Refunds

Refunds of OSHC will only be processed where the University has arranged OSHC on behalf of a student, and the student has not arrived in Australia. If a student has arrived in Australia, they will need to contact their OSHC provider directly to arrange any refund of their remaining OSHC policy

Special Circumstances Refunds, Remissions or Re-Credits

Students who withdraw from a course(s) after the Census Date due to special circumstances may apply for Amendment to Enrolment and Fees <https://www.adelaide.edu.au/enrol/forms/students-only/amendment-to-enrolment-and-fees>.

Students who are not satisfied with the outcome of their application for a refund may lodge a complaint in accordance with the Student Complaint Resolution Process <https://www.adelaide.edu.au/student/complaint/>.

This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.

Tuition Protection Service

In the unlikely event that the University is no longer able to deliver a program to you, for which you have accepted and paid, at the location and start date agreed to in your Offer of Admission, or the program ceases to be available after you have commenced, the University will either offer you an alternative program in writing or pay you a refund of any unspent tuition fees. If the University is unable to meet its obligations to you the Tuition Protection Service will assist you in finding an alternative course to accept or pay you a refund of your unspent prepaid tuition fees. For more information, please visit www.tps.gov.au.

*After the Census Date in their First Teaching Period requests for refunds will be calculated in accordance with Section 10 of the Education Services for Overseas Students (Calculation of Refund) Specification 2014.

**Consideration may be given to apply this clause to students who were unable to accept their program more than 4 weeks prior to the commencement of their First Teaching Period.
