I understand that my responses are subject to audit and review by the Employer and others in accordance with applicable professional, ethical, legal, or Employer requirements, rules, regulations, policies, or practices, or other requests.

4. Confidentiality. I acknowledge that, by virtue of my *Employment*, I will acquire and be exposed to, have access to, make use of and/or create *Confidential Information*. Therefore, I agree to hold in trust and confidence all such *Confidential Information*. I will neither disclose any such *Confidential Information* to anyone outside a *Deloitte Entity* without the prior written approval of an *Authorized Signatory*, except as required by my authorized duties for the Employer, nor use any such *Confidential Information* for any purpose other than for the benefit of a *Deloitte Entity.*

5. Third Party Information and Property. I agree that during my *Employment*, I shall not use or disclose any confidential information or intellectual property of any former employer or other person or entity without the prior written authorization of such employer, person or entity and the prior written consent of an *Authorized Signatory*. If I were to use or disclose any such Confidential Information or Intellectual Property without prior consent, and any of the *Deloitte Entities* become the subject of any claim from a third party regarding such unauthorized use or disclosure, I agree to hold harmless and indemnify the *Deloitte Entities* for any legal defense costs and/or damages related to any such claim.

6. Authorization. Only employees of the Employer holding a senior or managerial position with the Employer will be authorized by a specific authorization, delegation, or power of attorney to sign legal documents, representing the Employer. Similarly, only such authorized employees of the Employer may speak about the Employer, the business and plans, various client-related projects etc.

7. Competing Activities and Conflict of Interest. During the period of my *Employment* I will not, directly or indirectly, participate in or in any way render services or assistance to any business that is or may be competitive with a *Deloitte Entity*, whether or not for compensation, or engage in any conduct which might result in, or create the appearance of using my position for private gain or other than for the benefit of a *Deloitte Entity*, or otherwise create a conflict, or the appearance of a conflict, of interest with a *Deloitte Entity*. Such conduct shall include, but not be limited to, having an undisclosed financial

interest in any vendor or supplier of a *Deloitte Entity*, accepting payments of any kind or gifts other than of a nominal value from vendors, clients or suppliers, or having an undisclosed relationship with a family member or other individual who is employed or associated with any entity in active or potential competition with a *Deloitte Entity*, and which creates a conflict of interest. I represent and warrant that I am not currently aware of any present or past violation of this provision.

8. *Authorization to Access Systems and Electronic Communications and use of Deloitte Property.* I understand that while employed with a *Deloitte Entity*, I will use and have access to the Systems. I also acknowledge that a*Deloitte Entity* has the right at any time to access, retrieve, delete, monitor, examine, use and/or disclose my Electronic Communications and information from (or about) me and the content, without notice to me, and that such *Electronic Communications* are considered part of a *Deloitte Entity's* business and client records and are not to be considered private or personal to me or any other *Personnel*. I further acknowledge that this right extends to*Electronic Communications* transmitted for either a business or personal purpose.

I agree that I am authorized to access the*Systems* only for approved business purposes and occasional personal use if such use does not interfere with my work responsibilities and other required business activities, business operations, or *Systems* performance. However, I also acknowledge that such occasional personal use does not create an expectation of privacy as to any of my personal *Electronic Communications* and, as such, are *Deloitte Property*.

I further acknowledge that I am not authorized to use the*Systems* for personal gain or any illegal or unethical use. I agree that under no circumstances am I authorized to access any of the *Systems* for the purpose of obtaining *Deloitte Property* for a competitor of a *Deloitte Entity*, transmitting *Deloitte Property* to me (e.g., emailing *Confidential Information* to my personal email address) or to a third party for purposes other than furthering the business objectives of a *Deloitte Entity*. I am not authorized to download a *Deloitte Entity's Confidential Information* or other *Deloitte Property* to removable media such as a CD Rom, disk or thumb drive other than as authorized for furthering the business objectives of a *Deloitte Entity*.

I will be responsible for the safe keeping and return in good condition and order of all the*Deloitte Property* that may be in my use, custody, care or charge. For the loss of any *Deloitte Property* in my possession or custody or for which I have been assigned responsibility, the Employer will have a right to assess on its own basis and recover from me, the damages in respect of such materials (out of the amounts due to me or otherwise) and to take such other legal action as it deems appropriate including termination of my employment without notice or payment in lieu thereof in the event of my failure to account for such material or property to its satisfaction.

9. *Security.* I am provided with a worktable and lockable storage space. I will ensure they are locked when unattended and understand that a duplicate key will only be provided if I sign for it. I am required to display my identity card to the appropriate security personnel on demand and at all times within the office premises.

10. Ownership of *Works*.

a. I agree that the Employer owns all rights, title and interest in and to all *Works*.

b. I agree that all *Works* are deemed works made for hire under India copyright or applicable laws or equivalent laws of any applicable foreign jurisdiction, and all *Intellectual Property Rights* therein vest automatically in the Employer upon creation of the *Works*. I agree that, to the extent any *Work* is held not to be a work made for hire, I hereby irrevocably assign all *Intellectual Property Rights* in the *Work* to the Employer. Notwithstanding anything contained in Section 19(4) of the Indian Copyright Act, 1957, I agree that such assignment shall continue to be in force for perpetuity irrespective of whether or not the Employer exercises its rights as the assignee for any period of time.

c. I will at all times, even after termination of my *Employment*, do whatever the Employer reasonably requests of me, at the Employer's expense, to document the assignment of any *Works* to the Employer or to assist the Employer in pursuing, renewing, extending or assigning any *Intellectual Property Rights*, and otherwise perfecting, protecting and enforcing said *Intellectual Property Rights* in, any *Works*. I agree that, as between me and the Employer, the Employer shall be the sole author, inventor, and owner of all such *Works* and *Intellectual Property Rights* therein throughout the world, and that the Employer shall have the sole right to seek copyright registrations, patents or trademark registrations, including all extensions and renewals thereof. I also hereby agree that I waive all moral rights in any *Works*.

I also agree to assign all my right, title and interest in and to any particular*Works* to a third party as directed by the Employer.

In the event the Employer is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified in the preceding paragraphs, I hereby irrevocably designate and appoint the Employer and its duly authorized officers and agents as my agent and attorney in fact, which appointment is coupled with an interest, to act for and in my behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of the preceding paragraphs with the same legal force and effect as if executed by me. I hereby waive any and all claims, of any nature whatsoever, which I now or may hereafter have for infringement of any *Works* assigned hereunder to the Employer.

d. During a 12 month period after termination of my *Employment*, I agree that any *Intellectual Property* I create or conceive that results from and is related to any work assigned to or performed by me for the Employer, or that was created using *Deloitte Property*, is a *Work* that is subject to Paragraph 10 (b) above. For purposes of clarification, the foregoing provision is in addition to, and not in limitation of, any rights and remedies the Employer may have under the applicable laws protecting *Intellectual Property* of the *Deloitte Entities*.

e. I agree to keep and maintain adequate and current records (in the form of notes, sketches, drawings and in any other form that may be required by the Employer) of all *Works* developed by me during the period of my employment with the Employer, which records shall be available to and remain the sole property of the Employer at all times.

11. *Pre-existing Creations*; *Personal Creations*. My obligations in Paragraph 10 do not apply to *Pre-existing Creations* and *Personal Creations*. I warrant and agree that I have listed on **Exhibit B** all *Pre-existing Creations*. I acknowledge and agree that I will not assert any ownership rights against the *Deloitte Entities*, or their respective clients, with respect to any *Pre-existing Creations* unless they appear on **Exhibit B,** and **Exhibit B** has been accepted and agreed to by an *Authorized Signatory* who has signed at the bottom of such **Exhibit B**. I further agree that I shall not use any *Pre-existing Creations* or *Personal Creations* in connection with my *Employment* without the prior written consent of an *Authorized Signatory*. To the extent that I use any *Pre-existing Creations* or *Personal Creations* in connection with my *Employment*, I agree that, except as otherwise provided in a written agreement executed by me and the Employer, I hereby grant to the Employer an irrevocable, royalty free, perpetual, fully paid up, transferable, sub-licensable license to use, reproduce, distribute, display, perform, modify and create derivative works of and otherwise exploit such *Pre-existing Creations* or *Personal Creations* for any purpose including, but not limited to, client engagements.

12. Post- *Employment* Restrictions re: Clients. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or serving of certain clients related to my work for a *Deloitte Entity* would necessarily involve the unauthorized use or disclosure of *Confidential Information*, and the proprietary relationships and goodwill of the *Deloitte Entities*, and, in the case of my serving of certain clients, could compromise the full compliance of the Employer or another *Deloitte Entity* with the applicable laws, rules and regulations of a U.S. or India regulatory body or other independence-related requirement of a regulatory body. Accordingly, during the period of my *Employment* and for a period of one year thereafter, I will not, directly or indirectly, solicit or provide services to any existing client of a *Deloitte Entity* with which I had personal contact and provided services during the two-year period prior to termination of my *Employment*.

13. Exceptions to Post- *Employment* Restrictions re: Clients. I understand that the obligations of Paragraph 12 will not apply for a period of three (3**)** years after my start date or the date of my promotion or transfer to clients of a *Deloitte Entity* and/or certain specified kinds of services rendered to such clients that meet all of the following criteria: (a) are personal clients of mine who came to a *Deloitte Entity* solely to avail themselves of certain specified kinds of services rendered by me and only as a result of my own independent recruitment efforts, which a *Deloitte Entity* neither subsidized nor otherwise financially supported as part of a program of client development, (b) are listed on **Exhibit D** expressly by name with respect to client and with sufficient specificity with respect to the kinds of service(s) that I will be permitted to render, and (c) are accepted and agreed to as to their listing on **Exhibit D** by an *Authorized Signatory* who has signed at the bottom of such Exhibit. I agree that after a period of three (3) years from my start date or the date of my promotion or transfer the Employer will have invested sufficient time, financial support and effort in developing and serving the clients listed on **Exhibit D** to support the application of the obligations of Paragraph 12 to those clients.

14. Future Employment with Clients. Except as otherwise provided herein, I understand that I am not prohibited from accepting employment with a client (or an affiliate of such client) of a *Deloitte Entity*. Before entering into substantive discussions with an *Attest Client* regarding any employment opportunity, I acknowledge and agree that during my *Employment* and for five years thereafter I must first notify *Independence* and obtain prior written approval from *Independence*. I acknowledge and understand that it is the intent of the Employer to interpret and apply this provision (a) in an effort to ensure the full compliance of the *Deloitte Entities* with applicable U.S. and India laws, rules, and regulations; (b) to serve the public interest; and (c) to protect the legitimate interests of the *Deloitte Entities* or their respective *Attest Clients* under applicable U.S. or India laws, rules and regulations in a manner that is no greater than is reasonably necessary to protect such interests and without being unduly harsh and oppressive to me and my interests in future employment with an *Attest Client*. Further, I acknowledge and agree that because of, among other things, the importance of the *Deloitte Entities* remaining in compliance with applicable independence rules, such approval may be withheld by *Independence* in the event that my employment with an *Attest Client* would, in the view of Deloitte LLP, be inconsistent with applicable laws, rules and regulations or jeopardize the independence of a *Deloitte Entity* with respect to such *Attest Client*.

15. Restrictions re: *Personnel* and Contractors. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or hiring or of any of its *Personnel* or contractors of the *Deloitte Entities*, or my participation in their hiring, admission or retention, would necessarily involve the unauthorized use or disclosure of *Confidential Information* or the proprietary relationships and goodwill of the *Deloitte Entities*. Accordingly, during my *Employment* and for one year thereafter, I will not, directly or indirectly, (a) solicit or attempt to solicit, or participate in the solicitation of or any attempt to solicit any *Personnel* to leave a *Deloitte Entity*, or to join any firm or business with which I may be or become affiliated;(b) participate in the hiring or admission of any *Personnel*; or (c) cause a contractor of a *Deloitte Entity* to cease providing

services to, with, or on behalf of the *Deloitte Entity*.

16. Post- *Employment* Restrictions re: *Deloitte Property*. Upon termination of my *Employment*: (a) I will not use or disclose *Deloitte Property*, including, but not limited to, *Confidential Information* and *Works*, for any purpose; (b) I will not retain or take with me any *Deloitte Property*; (c) I will immediately deliver to a *Deloitte Entity* at any location that it designates, at my expense, within one business day after the termination of my *Employment* or on an alternate date designated by a *Deloitte Entity*, any *Deloitte Property* that I may then or thereafter hold or control; and (d)I agree to allow a *Deloitte Entity* to inspect any of my personal or home computers, including smart phones, tablet computers, or any device, media or location capable of storing electronic data, to determine whether any *Deloitte Property* resides on such computers and to permit a Deloitte Entity to remove such *Deloitte Property*.

OTHER POST- *EMPLOYMENT* OBLIGATIONS

17. Transition of Work and Cooperation. Upon termination of my *Employment* for any reason, I will cooperate with a *Deloitte Entity* in all matters relating to the completion of pending work and its orderly transfer. I will also cooperate fully with a *Deloitte Entity* in connection with any threat of or actual legal proceeding against a *Deloitte Entity* or any client, customer or licenser of a *Deloitte Entity* arising out of any matter with or of which I had contact or knowledge during my *Employment*.

18. Notification of Post- *Employment* Obligations. I agree that prior to accepting employment or affiliation with another firm or business I will advise such firm or business of my duties and obligations under this Employment Agreement. After my *Employment* ends, I agree that a *Deloitte Entity* shall be permitted to advise any firm or business with which I have accepted an offer of employment or affiliation concerning my duties and obligations under this Employment Agreement.

19. Certification. I agree that during or after my *Employment* I will, if requested, provide written certification in such form as the Employer may require that I have complied with my obligations hereunder, including, without limitation, those obligations set forth in Paragraphs 4, 5, 7, 8, 9, 10, 11, 12, 14, 15 and 16 of this Agreement.

OUR ENFORCEMENT RIGHTS AND REMEDIES IN THE EVENT OF A BREACH

20. Equitable Relief and Attorney's Fees. I acknowledge and agree that a breach of this Employment Agreement, including, but not limited to, a breach of my duties and obligations under the terms and conditions of Paragraphs 4, 5, 7, 8, 9, 10, 12, 14, 15 or 16 would cause irreparable harm to the *Deloitte Entities* and that, in addition to other remedies, the Employer on behalf of itself or another *Deloitte Entity* is entitled to a temporary restraining order, an injunction or other equitable relief to prevent any such breach. I also acknowledge that, to the extent permitted by law, a *Deloitte Entity* will be entitled to the payment of the *Deloitte Entities'* reasonable costs and attorney's fees incurred in enforcing this Employment Agreement. I also acknowledge that, to the extent permitted by law, the Employer may request that a court extend the one year period following the termination of my *Employment*, as provided in Paragraphs 12 and 15**,** to correspond with the period that I participated in activities prohibited by Paragraphs 12 and 15.

21. Liquidated Damages: Client Fees. I agree that in the event of a breach under Paragraph 12, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtima, bonuses, and sales incentives, received by any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Such amount shall be paid within thirty days from the mailing of a written notice to me advising of the amount due.

22. Liquidated Damages: Compensation. I agree that the precise amount of damages flowing from a breach under Paragraph 15 would be impracticable or extremely difficult to ascertain in an actual amount. Therefore, I agree that in the event of a breach under Paragraph 15, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtime, bonuses, and sales incentives, received by or owed to any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Such amount shall be paid within thirty days from the mailing of a written notice to me advising of the amount due.

23. Right of Inspection. I agree to permit the Employer (or to use my best efforts to enable the Employer) to inspect my books and records (and the books and records of any entity which employs or is associated or affiliated with me), upon request and at reasonable times, to enable the Employer to confirm the calculations described above and to verify compliance with Paragraphs 12 and 15. The Employer shall keep confidential any proprietary information obtained, except as may be necessary or desirable to enable the Employer to enforce its rights under this Employment Agreement and except as may be required by any statute, court or administrative order to decree or government ruling or regulation.

26. Severability. Every provision of this Employment Agreement is intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such term or provision will be enforced to the maximum extent permitted by law and, in any event, such illegality or invalidity shall not affect the validity of the remainder of the Employment Agreement.

27. Blue-Penciling. If any court determines that any provision of this Employment Agreement, or any part hereof, or the application of any such provision, or any part hereof, to any person or circumstance is unenforceable or void, such court shall have the power to modify such provision, or any part hereof, to the extent necessary to render it legal and enforceable while preserving its intent, or if such modification is not possible, by substituting therefore another provision that is legal and enforceable and that achieves the same objective.

28. Waiver. None of my obligations under this Employment Agreement shall be deemed to have been waived by the Employer except if the giving of such waiver is contained in a written notice given to me and no such waiver shall be deemed to be a waiver of any other or further obligation I have under this Employment Agreement.

29. Entire Agreement. Notwithstanding the foregoing, any written agreement between a *Deloitte Entity* and me with respect to the subject matter hereof that was signed by me prior to the effective date of this Employment Agreement shall remain valid and enforceable according to the terms of such agreement with respect to all acts and omissions occurring prior to the effective date of this Employment Agreement. In the event of a conflict between this Employment Agreement and the employment application or any other document purporting to set forth terms and conditions of my *Employment*, this Employment Agreement will control.

30. Transfer and Assignment. Unless as the Employer shall otherwise determine, the rights, obligations and benefits of the Employer under this Employment Agreement, including but not limited to those rights and benefits relating to my post-Employment obligations set forth in this Paragraph 30 and in Paragraphs 4, 5, 7, 8, 9, 10, 11, 12, 14, 15, 16, 17, 18, 19 and 23 above, are transferred and assigned, in whole or in part (as the Employer shall determine) and without the need for my consent or the formality of documentation or prescribed processes, to (a) any *Deloitte Entity* in connection with my transfer to that *Deloitte Entity* or (b) any entity that acquires all or a part of the assets or business of the Employer. Deloitte & Touche LLP performs attest services for certain of its clients and is subject to the independence requirements of, among others, the United States Securities and Exchange Commission (SEC), the United States Public Company Accounting Oversight Board (PCAOB), and the American Institute of Certified Public Accountants (AICPA). These requirements mandate that certain of the Employer's employees and their relatives be independent of some or all of such attest clients and their affiliates in accordance with the policies of Deloitte LLP and its subsidiaries (the "Deloitte US Entities").

Upon joining the Employer, you will be asked to review a listing of the attest clients and the affiliates of such clients of certain of the Deloitte US Entities and disclose relationships or financial holdings that you or your relatives may have that could affect the independence of the Deloitte US Entities. As a condition to your joining the Employer and continued employment, you are required to complete a representation regarding your understanding of, and compliance with, independence and other matters, on a periodical basis (as requested beginning on or prior to the date of you joining the Employer, annually thereafter, and upon certain changes in your role in the Employer), the details of which are provided in the independence representation. An example copy of this representation form is available for your reference on www.deloittenet.com. The representation should be made to the best of your knowledge and ability. It is your responsibility to consult on any matter should you be uncertain or have a question. You are also requested to refer to www.deloittenet.com and *Independence* for more information in this respect. The representations made by you will be subject to an audit and may be reviewed by Deloitte LLP representatives and shared with certain third parties. If you are selected for such an audit, you will need to submit certain personal financial records to Deloitte LLP's internal audit team. Please be assured that Deloitte LLP fully intends to keep all information obtained through the audit process confidential and secure. You hereby give your consent to Deloitte LLP to use the information provided by you for such purposes as provided in the policies regarding independence and ethics.

In the event you (i) do not cooperate or comply with the independence requirements, or (ii) do not complete the necessary representations, or (iii) make inaccurate representation(s); you may be subject to disciplinary action including and up to termination of employment with the Employer.

Please feel free to contact or consult *Independence* should you require any further information or if you have any specific concerns in this respect.

As a full-time employee of the Company, you will be eligible to participate in Company-sponsored benefits and be a member of any employee benefit plans that the Company may establish and are generally available to other employees of the Company, including medical insurance coverage, life insurance, employee stock purchase plans and incentive compensation plans. As a result, you may only accumulate a maximum of two times the PTO that you are eligible to accrue so that at any given point in time your total PTO entitlement does not exceed 45 days. (a) Proprietary Information. At all times during the term of my employment and thereafter, I will hold in strictest confidence and will not disclose, use, lecture upon or publish any of Company's Proprietary Information , except as such disclosure, use or publication may be required in connection with my work for Company, or unless an officer of Company expressly authorizes such in writing. (b) Third Party Information. During the term of my employment and thereafter, I will also hold Third Party Information in the strictest confidence and will not disclose, use, publish or divulge Third Party Information to any person, firm or corporation, in any advertising regarding Company or in any manner or connection whatsoever (to anyone other than Company personnel who need to know such information in connection with their work for Company), unless expressly authorized by an officer of Company in writing and an authorized representative of the third party or parties from whom the information is received. I acknowledge that all Works that constitute original works of authorship and are made by me (solely or jointly with others) within the scope of my employment are authored by me under instructions from and for and on behalf of the Company and shall be owned absolutely and exclusively by the Company. To the extent that the ownership of any Work (or the Intellectual Property Rights contained therein) does not vest in the Company by operation of law or otherwise, I hereby agree that I am assigning and will assign to Company on a worldwide perpetual basis all my right, title and interest in and to any and all Works and the Intellectual Property Rights contained therein. I agree that I will take such additional actions and execute such other documents as Company may request to vest absolute title to the Works in Company, and to the extent that I am legally prevented from transferring all of my rights in any Works to Company, I will take such actions as Company requests to achieve the parties' intentions under this Section 3 to the fullest extent permitted by law. I acknowledge and confirm that the ongoing employment remuneration received by me from the Company constitutes adequate and sufficient consideration for the above assignment.

(b) Moral Rights. To the extent that my work for Company results in the creation of any rights of paternity, integrity, disclosure and withdrawal or any other rights in connection with the Works that may be known as or referred to as "moral rights," I hereby waive all such rights in favor of Company and grant to Company the right to modify any Works in connection with the development, manufacturing, marketing, distribution, public performance and/or public display of the such Works, either separately or as incorporated into any project or projects currently or subsequently undertaken by Company. I further agree not to institute or authorize any other party to institute any action on the grounds that Company's use of any Works, now or in the future, constitutes an infringement of any of my moral rights or are in any way a distortion, mutilation or other modification of the Works to the prejudice of my honor or reputation.

(c) Rights of Publicity. To the extent that any Works incorporate the use of my name, or pictures, drawings, images, or caricatures of me, including, without limitation, computer-generated drawings and images, I irrevocably and absolutely consent that any and all such materials be used, published, copied, in whole or in part, without personal identification, for illustration (including incorporation into Company's products), trade, advertising, marketing, and promotion of Company and its products in any medium. (d) License to Intellectual Property Rights. To the extent that any of the Works are derived from or require the use by Company of any works that I own which are not assigned hereby, I hereby grant Company an irrevocable, perpetual, transferable nonexclusive worldwide royalty-free license, with right of sublicense, to use, modify and create derivative works using such works, but only to the extent necessary to permit Company to fully realize its ownership rights in the Works.

(e) License to Unassigned Works. To the extent that I am unable assign to Company any of my right, title or interest in any Work under applicable law, I hereby grant to Company an irrevocable, worldwide, fully paid, exclusive, perpetual license to such Work to use, modify, sublicense and assign the Work, and to assign this license, and to exercise all rights and incidents of ownership of the Work in protecting Company's and Consultant's Intellectual Property Rights in the Work. The term of license granted hereby shall be the greater of five (5) years or the maximum term permitted by applicable law and shall automatically renew for successive periods of equal length unless Company terminates the license by notifying Consultant in writing of such termination.

4. Enforcement of Intellectual Property Rights.

(a) I will assist Company in every proper way to obtain and from time to time enforce Intellectual Property Rights relating to the Works in any and all countries. To that end I will execute, verify and deliver such documents and perform such other acts (including appearances as a witness) as Company may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining and enforcing such Intellectual Property Rights and the assignment thereof. In addition, I will execute, verify and deliver assignments of such Intellectual Property Rights to Company or its designee. My obligation to assist Company with respect to Intellectual Property Rights relating to such Works in any and all countries shall continue beyond the termination of my employment, but Company shall compensate me at a reasonable rate after my termination for the time actually spent by me at Company's request on such assistance.

(b) In the event Company is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified in the preceding paragraph, I hereby irrevocably designate and appoint Company and its duly authorized officers and agents as my agent and attorney in fact, which appointment is coupled with an interest, to act for and in my behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of the preceding paragraph with the same legal force and effect as if executed by me. I hereby waive and quitclaim to Company any and all claims, of any nature whatsoever, which I now or may hereafter have for infringement of any Intellectual Property Rights assigned hereunder to Company. At Company's request, I will execute one or more additional powers of attorney before a notary public to give effect to this provision.

In addition, I will promptly disclose to Company all patent applications filed by me or on my behalf within a year after termination of employment. At the time of each such disclosure, I will advise Company in writing of any works that I believe should not be regarded as Works; and I will at that time provide to Company in writing all evidence necessary to substantiate that belief. The Company will keep in confidence and will not disclose to third parties without my consent any proprietary information disclosed in writing to Company pursuant to this Agreement relating to Works that I disclose in this manner and I will preserve the confidentiality of any work that constitutes a Work.

(b) I agree to keep and maintain adequate and current records (in the form of notes, sketches, drawings and in any other form that may be required by Company) of all Proprietary Information developed by me and all Works made by me during the period of my employment at Company, which records shall be available to and remain the sole property of Company at all times.

Recruitment and Performance Management:

Skills, qualifications, and experience determine what roles people fill, but integrity, intellectual ability and emotional intelligence are common competency dimensions all staff need to exhibit. Candidates will be recruited, and their performance managed on demonstrated competence to succeed in their duties, in addition to their cultural fit with the ethics and conduct described in this document. Shabby, revealing, or offensive dress or unprofessional behavior is not consistent with this standard. All employees are expected to present a professional face for the company. All employees are required to fully commit to performance and aptitude assessments, or other types of measurements designed to enhance individual and company performance.

Continuous Learning:

As a business of the new economy, all of us have a responsibility to continue to learn and to do all that we can to encourage our fellow employees to do likewise. We must have a commitment to further improvement, be motivated by challenges and to view change as a positive opportunity. Training plans are designed to be consistent with and support the strategic planning initiatives of the company. Involvement in professional associations and other professional and community development activities is expected as a sign of commitment to excellence.

Cooperation:

All of us need help and guidance from time to time. Turning to colleagues for assistance in solving difficult problems shows good judgment and common sense. Never be afraid to ask and never be reluctant to help.

Veracity:

Keeping secrets or creating hidden agendas causes intrigue, miscommunication, and confusion. We should always look for the positive solution to every problem and carry a positive attitude into every aspect of our day. Defeatists are not admired. Negative attitudes create distress whilst positive attitudes relieve stress. We believe that a person's success is mainly due to attitude. By displaying a positive attitude, courage, resilience, appropriate skills, ability and aptitude, your honesty and integrity will be evident.

Respect:

Abuse or harassment in any form is unacceptable. At VassarLabs we respect individual belief systems but do not impose religious or political beliefs on others. You will be disciplined and may be instantly dismissed for being intoxicated or under the influence of non-prescriptive drugs at work, whether on the premises of Vassar Labs, at a customer site, or when representing Vassar Labs at a conference or function.

Legitimacy:

Vassar Labs accepts that you will have commitments such as medical appointments, family activities and other important personal issues to attend to. It is not acceptable to misrepresent your use of this time as this would give the impression of deceit. Be upfront, tell your manager about personal circumstances that may require some flexible work time. Seek approval for such activities.

Time management:

If you are required to work excessive hours to meet deadlines it is your responsibility in collaboration with management to track your time on all tasks and avoid a culture of exploitation. Vassar Labs appreciates that many employees display enormous commitment by working extra hours making it a long day for a committed employee. Wasting company time by excessive chatting and taking regular prolonged smoking breaks may constitute work avoidance and be deemed unprofessional conduct. The onus is on each member of staff to work responsible professional hours.

Health-e-Lifestyle

Vassar Labs encourages a healthy lifestyle for employees and encourages staff to exercise, quit smoking and excessive drinking and take responsibility for safe work practices as part of a healthy lifestyle program.

Confidentiality:

In these circumstances, we must not disclose or use any confidential information we obtain for any purpose other than for what it was obtained. Maintaining our clients' confidence in professionalism and integrity is too important to be put at risk. Protection of a company's intellectual property is an essential business and legal ethic.

Privacy:

Information regarding your salary and benefits and those of your colleagues is strictly confidential. Anyone asking about others or discussing their own salaries with colleagues, may be dismissed. Private personnel information must not be disclosed. You may be prosecuted under Privacy Laws for statutory breeches. Collaborating with colleagues to spread misinformation, or confidential information, could result in discrediting others, may be defamatory, and contravenes these fundamental principles. If you have queries regarding salaries or personnel issues speak to the HR Manager.

Vassar Labs encourages employees to take responsibility to avoid damaging their health by attending to both their physical and psychological needs. Employees must take responsibility for their ergonomic needs such as their workstation and work habits, and also for their lifestyle needs such as their psychological and emotional health. Many accidents or other problems at work are caused by negligence and blaming others for conditions and circumstances you would be expected to take action to rectify. All employees are required to take responsibility for occupational health and safety issues in the workplace.

I have read, understood, and agree to comply with the Vassar Labs' Code of Ethics and Conduct.

CODE OF ETHICS AND CONDUCT

Vassar's Code of Ethics and Conduct provides ethical guidelines for standards of conduct which shapes our developing corporate culture.

Vassar Labs is a commercially driven Software Development and Services company whose profitability depends on excellent standards of performance and delivery. Our success will be determined by your adherence to the following standards of ethics and conduct:

Recruitment and Performance Management:

Skills, qualifications, and experience determine what roles people fill, but integrity, intellectual ability and emotional intelligence are common competency dimensions all staff need to exhibit. Candidates will be recruited, and their performance managed on demonstrated competence to succeed in their duties, in addition to their cultural fit with the ethics and conduct described in this document. Shabby, revealing, or offensive dress or unprofessional behavior is not consistent with this standard. All employees are expected to present a professional face for the company. All employees are required to fully commit to performance and aptitude assessments, or other types of measurements designed to enhance individual and company performance.

Continuous Learning:

As a business of the new economy, all of us have a responsibility to continue to learn and to do all that we can to encourage our fellow employees to do likewise. We must have a commitment to further improvement, be motivated by challenges and to view change as a positive opportunity. Training plans are designed to be consistent with and support the strategic planning initiatives of the company. Involvement in professional associations and other professional and community development activities is expected as a sign of commitment to excellence.

Cooperation:

All of us need help and guidance from time to time. Turning to colleagues for assistance in solving difficult problems shows good judgment and common sense. Never be afraid to ask and never be reluctant to help.

Veracity:

Keeping secrets or creating hidden agendas causes intrigue, miscommunication, and confusion. We should always look for the positive solution to every problem and carry a positive attitude into every aspect of our day. Defeatists are not admired. Negative attitudes create distress whilst positive attitudes relieve stress. We believe that a person's success is mainly due to attitude. By displaying a positive attitude, courage, resilience, appropriate skills, ability and aptitude, your honesty and integrity will be evident.

Respect:

Abuse or harassment in any form is unacceptable. At VassarLabs we respect individual belief systems but do not impose religious or political beliefs on others. Words and actions that are indiscreet, sarcastic, and chauvinistic or made at the expense of an ethnic group or gender are not professional and may be unlawful. Swearing at each other, or at clients or suppliers, in an abusive manner, backbiting, gossiping, manipulating, negative behavior and other divisive activities are destructive and will not be tolerated. Violence or bullying is not acceptable and may constitute a criminal offence. All such forms of unacceptable behavior can be grounds for dismissal.

Intoxication:

Alcohol and other drug abuse are unacceptable at Vassar Labs. You will be disciplined and may be instantly dismissed for being intoxicated or under the influence of non-prescriptive drugs at work, whether on the premises of Vassar Labs, at a customer site, or when representing Vassar Labs at a conference or function.

Legitimacy:

Vassar Labs accepts that you will have commitments such as medical appointments, family activities and other important personal issues to attend to. It is not acceptable to misrepresent your use of this time as this would give the impression of deceit. Be upfront, tell your manager about personal circumstances that may require some flexible work time. Seek approval for such activities.

Time management:

If you are required to work excessive hours to meet deadlines it is your responsibility in collaboration with management to track your time on all tasks and avoid a culture of exploitation. Vassar Labs appreciates that many employees display enormous commitment by working extra hours making it a long day for a committed employee. Wasting company time by excessive chatting and taking regular prolonged smoking breaks may constitute work avoidance and be deemed unprofessional conduct. The onus is on each member of staff to work responsible professional hours.

Health-e-Lifestyle

Vassar Labs encourages a healthy lifestyle for employees and encourages staff to exercise, quit smoking and excessive drinking and take responsibility for safe work practices as part of a healthy lifestyle program.

Initiative:

All of us must strive to take initiative, resolve, or inform others of potential risks, and prove to be steadfast and reliable in order to maintain and reinforce this vital part of our corporate culture. Every employee at Vassar Labs is responsible for the company's success.

Confidentiality:

During the course of our duties with Vassar Labs we will learn confidential information either about Vassar Labs or our clients. In these circumstances, we must not disclose or use any confidential information we obtain for any purpose other than for what it was obtained. Maintaining our clients' confidence in professionalism and integrity is too important to be put at risk. Protection of a company's intellectual property is an essential business and legal ethic.

Privacy:

Information regarding your salary and benefits and those of your colleagues is strictly confidential. Anyone asking about others or discussing their own salaries with colleagues, may be dismissed. Private personnel information must not be disclosed. You may be prosecuted under Privacy Laws for statutory breeches. Collaborating with colleagues to spread misinformation, or confidential information, could result in discrediting others, may be defamatory, and contravenes these fundamental principles. If you have queries regarding salaries or personnel issues speak to the HR Manager.

Occupational Health and Safety:

Vassar Labs encourages employees to take responsibility to avoid damaging their health by attending to both their physical and psychological needs. Employees must take responsibility for their ergonomic needs such as their workstation and work habits, and also for their lifestyle needs such as their psychological and emotional health. Many accidents or other problems at work are caused by negligence and blaming others for conditions and circumstances you would be expected to take action to rectify. All employees are required to take responsibility for occupational health and safety issues in the workplace.

I have read, understood, and agree to comply with the Vassar Labs' Code of Ethics and Conduct.

Annexure – II

Benefits

Dr. Reddy's extends various benefits to its employees, which are subject to change from time to time as per Company policy.

Leave Benefit

We encourage you to plan some time off from work to recharge. For this you have 30 days of paid leave in a year. A year, in this context, is the financial year starting April and concluding on March of the next year.

Leave Entitlement

Two and a half days are added to your leave credit every month to make a bank of 30 days a year. You can prefix, suffix and include weekends and holidays when taking off because these holidays and weekly offs are not counted as leave. If you join mid- year, the calculations are on a pro-rata basis. If you join between the 1st and 15th of a month, you are credited 2.5 days of leave for that month. If you join after 15th, then you get 1.5 days credited for that month. Leave is automatically credited to your account for the year. You can check your leave credit on the portal. You can use the portal to mark attendance, apply for leave, check leave credit and leave approval status.

Leave Encashment

You will be eligible for leave encashment as per the company policy applicable.

Paid Leave

Maternity benefits

All permanent women employees get 26 weeks of paid maternity leave. It can be taken pre- and post - delivery. In the case of pre - delivery leave, you can take up to eight weeks. Holidays and weekly offs falling in - between are counted as part of maternity leave. In case of an emergency such as a miscarriage, you can take six weeks of leave immediately following the date of the incident. You get an additional month of leave for illnesses arising out of pregnancy, delivery, premature birth of a child, or a miscarriage. If you adopt a child less than 3 years old, you can take up to 4 months of paid leave. If you adopt a child greater than 3 years, you may take up to 2 months of paid leave. Leave is sanctioned by your immediate supervisor, in consultation with the HR facilitator. Since the company will need to make replacement arrangements while you are on maternity leave, you need to inform in advance the period you plan to go on leave.

Time offs and Work from Home

Once you have had a baby, and are back to work, you can take up to two hours off every day for a year from the date of birth of the baby, in case you need to come in late or leave early to look after the baby. In case the nature of work assigned to you is of such nature that you may work from home, you may do so after availing of the maternity benefit and for such period and on such conditions as you and your supervisor may mutually agree.

Child-care

Most Dr.Reddy's Laboratories Ltd offices have a child-care facility where you can enrol your baby free of cost. It is staffed with competent care givers to look after your baby while you are at office.

Leave Policy:

Types of Leave:

1) Sick cum casual Leave (SL/CL) – 12 days in a year.
2) Privilege or Earned Leave (PL/EL) – For 20 Days working, one day leave will be credited with max PL limit of balance 30 days PL retained by company till retire or resign.
3) Public Holidays: 10 days Mandatory in one year calendar. Latest Public Holiday list is available on request from HRD and also listed at public notice board
4) Maternity Leave (ML) – not more than twelve weeks as applicable.

Terms to avail Sick Leave:

1) Not more than 2times continuous days of this category of leave will be granted for any reason atany given time.
2) Any leave in this category not availed during calendar year would lapse and the same will not been-cashed or carried forward for the next year.
3) SL/CL can be availed in the following manner; In case of emergencies or if you fall sick, you have to call and inform your immediate reporting manager or HR that you will not be coming in for duties on that day. If you do not call and inform, the same will be treated as absence, and will be treated as leave without pay. Hence, as far as possible employees have to take approval before availing leave.
4) Sundays can be prefixed or suffixed and will not be included as leave. Similarly holidays falling within the leave period will not be included as leave.

Terms for availing Privilege / Earned Leave (PL/EL):

1) All leave will be granted at the sole discretion of the management, in view of Company's work from time to time. The management will have full discretion to refuse / revoke / or curtail leave when required.
2) Employees can avail PL/EL for not more than three times in a year. PL / EL should be availed fora minimum of continuous three days and to a maximum of not more than continuous 10 days at a given time.
3) PL has to be approved 15 days before proceeding on leave.
4) Sunday or holiday can either be prefixed or suffixed. Only one is allowed. I.e. either you can prefix or suffix a Sunday / holiday. Also any Sunday or holiday falling in between the leave period would be counted as leave.
Example (a) If an employee applies for leave from Saturday (1st day of the month) till Sunday (9^{th}day of the month) and reports for duty on Monday 10th day of the month it will be considered as 8^{th}days of PL/EL. Hence 9th day (Sunday) is allowed to be suffixed to the leave.In the above example, if the employee reports to duty on Tuesday (11th day of the month) then it will be considered as 10 days of PL/EL.Example (b) where an employee takes leave from Monday to Saturday, it will still be considered as only 6 days PL/EL.Example (c) Where an employee applies leave for Saturday and Monday 1st this would be considered under SL category. In case an employee has exhausted all leaves of this category, then it would be granted under PL/El considering it as 3 days of leave and not 2 days, but in such a case if leave is required under Pl employee should have applied 15 days in advance.

Leave Encashment:

Leave encashment benefit would be available for employee completing one year at Service. PL/EL can be carried forward up to a maximum of 30 days for 2 Years. 30 (Thirty Days) PL would be mandatory to keep balance at company until you retire or resign from duty. Excess PL can be encashed, for all such

employees who have more than 30days of leave balance at the start of the year by the accounts Department; for encashment of your PL please write payroll@msourceone.com. The basis for computing leave will be "Basic Salary" on a 30 days month basis.

Example:
On Dec31st if you have 26 days PL and on Jan 1st next year 15 more days of PL will be credited hence your total PL will be 26+15=41 days. Hence 11 days leave will be encashed and you will have only 30 days as PL/El in credit which will not be redeemed until retirement or resign.
As the management encourages employees to go on leave for rest and recuperation, it is recommended that each employee plans and avails this facility but subject to exigencies of company's work from time to time. If an employee has applied leave and the same cannot be sanctioned, the management would allow to encash such leave for the employees benefit at the end of the financial year or any other date as decided by the management.

Advance PL /EL:
In case of genuine and extreme emergency, the management may at its sole discretion grant leave before it is earned and credited to an employee's account. Such leave will be debited to an employee's leave account (to be adjusted) as and when leave is actually credited. The MD may consider advance leave on a case to case basis. It is emphasized here that this is a deviation and will not be approved in the normal circumstances.In case the employee leaves the services of the company before this advance leave credit has been earned and ratified, the same shall be deducted / adjusted as a part of the full and final settlement of the employee.
Note: If an employee has applied for leave on a particular day (PL/EL/SL) and that day as per Negotiable Instruments Act if we declare a holiday then for the person who have already applied for leave and has been sanctioned it would be continued as leave and not holiday.If an employee has taken certain days of leave and extends their leave with or without intimation the same could be counted as absent even if they have leave in their credit.
Exceptions: If the MD would grant any, based on written explanation and request for example; if an employee takes 4 days leave and fails to report of the 5th day on the 6th day then the 5th day would be counted as absent.

Compensatory Off:
Employees working on Sundays and holidays as per holidays list to meet project deadlines approved by the project head shall be compensated with leave for every such day of work Employees in the management cadre are not eligible for compensatory off.

Rules for availing Compensatory Off:
Application for compensatory off should also be updated in the leave card and get it sanctioned by the respective manager. Approval for compensatory off should be obtained at least 2days in advance in writing and cannot be applied after resuming for duties.Compensatory off cannot be carried over / accumulated to the next year Maximum 2 compensatory off can be availed during any month.Compensatory off cannot be encashed.Compensatory off cannot be considered for adjustment against notice period at the point an employee leaving the company's service.
Employees coming under non-managerial category will get the leave credit for compensatory leave / off when working on designated weekly holidays / other declared holidays and a written permission is given by the concerned HOD / Project Manager.

Maternity Leave:
All the women employees who have worked not less than 120 days in twelve months immediately preceding the date of delivery are eligible for 24 weeks maternity leave of which 12 weeks before the delivery and 12 weeks after the delivery.

The maximum period for which any women shall be entitled to maternity benefit shall be 24 weeks of which not more than 12 weeks shall precede the date of her extended delivery.A women suffering from illness arising out of pregnancy, delivery, premature birth of child(miscarriage, medical termination of pregnancy or tube tour operation0 shall on production of such proof as may be prescribed be entitled in addition to the period of absence allowed to her, as the case may be to leave with wages at the rate of maternity benefit for a maximum period of one month. The certificate of recognized surgeon of Government Hospital is valid to claim this leave.

Paternity Leave:
All married male employees would be eligible for 5 days paternity leave to be with the newly born child or adopted child for a maximum of two children. Paternity leave must be consumed within three months from the birth of the child or adoption.All holidays occurring within the period of paternity leave would be reckoned as part of the paternity leave.

Pending Leaves adjustment against Notice period:
Privilege leave cannot be considered for adjustment against notice period at the time of an employee leaving the services of the company. Further that time if an employee has PL balances in account the same will be calculated for the number of month worked and the same can however been cashed by employee or can be adjusted with any notice not served, claims etc. by employer and be paid through final settlement
For example: If an employee resigns on 1st at March and has to be relieved on 31st March her leave encashment will be worked as under:No of days of PL /12*3 (3 months worked) which is 15/12*3=3.75.
If he has not taken any leave then the 3.75 days for that calendar year plus any other PL which is in credit at the start of the year would be encashed on basis of the basic salary and paid.
If she has taken more leave (i.e. more than 3.75+leave at credit at the start of the year) then the same would be deducted at the time final settlement.
