You can choose to pay more than 50% of your total tuition fees before the course commences. This is permitted under the *Education Services for Overseas Students (ESOS) Act 2000*. You are not required, however, to pay any more than the amount indicated in **Section 1**.

#### Overseas Student Health Cover

You are required by the Australian government to pay a compulsory **Overseas Student Health Cover (OSHC)** fee to cover the full length of your student visa. This is a requirement for all international students. Please note that OSHC fees are subject to change each year and any overpayment will be credited to your account.

We have included a quote for OSHC in your offer details, however if you already have pre-arranged OSHC for the duration of your student visa, please provide evidence of this when you submit your Acceptance Form.

Further information on health cover, including OSHC for your family, is available here.

### Books, Materials, Equipment, Field Trips

You may be charged for items, amenities or services which are incidental to studies undertaken as part of a course of study. Details of the relevant University policy are available here. Examples of incidental costs you may incur are for special equipment such as lab coats or specific uniforms required for placement, or fieldwork or excursion expenses. You will also need access to copies of set textbooks and readings (which are a combination of articles and chapters for a specific topic). These can be purchased or accessed from the library.

### Administration Charges

Administration charges apply in the following matters:

- If your enrolment is cancelled due to outstanding tuition fees and you request reinstatement of enrolment, a reinstatement charge of $100 may apply.

### Living Expenses

International students normally need around AUD$24,505 annually to cover living expenses in Australia. You should budget for approximately this amount. Note, however, that depending on your lifestyle and other factors you might need more or less than this. Our Cost of Living Calculator will help you determine the amount you will need.

## Section 3: University Services and Policies

### Health, Counselling and Disability Services

The University provides international students access to a range of free and confidential student services. These services include personal counselling, disability services and many online resources. For further information visit Health, Counselling and Disability Services, or call +61 8 8201 2118.

### Academic and Student Policies

Flinders University has formal policies covering its operations and practices in all student-related matters. These include, for example, policies on the responsibilities and rights of staff and students, staff/student relationships, student progress, student representation, and formal procedures for lodging appeals, complaints and grievances. These policies apply to international and domestic students, and can be viewed here.

### Complaints and Appeals Process

The University is committed to providing all students with access to fair and impartial appeal and complaint resolution processes. These processes are detailed in our Student Complaints Policy and our Student Review and Appeal Policy, and their associated procedures. Our policies and procedures in this area (and in all other matters relevant to international students) comply with all requirements of the *Education Services for Overseas Students Act 2000*, and the *National Code of Practice for Providers of Education and Training to Overseas Students 2018*.

Read through all of the information included in this offer letter, including your offer details (see **Section 1**), and the refund information referred to in **Section 5**.

**Step 2: Be sure you understand the requirements of your course.**

a. Visit the Handbook page for your course and follow the links for details on:
   - **Your *Program of Study*.**
   - **Course Rules.**
   - **Compulsory topics, work placements, internships or practicums.** Check this information carefully in the *Program of Study* page, as it may impact on the date you should arrive in Adelaide.
   - **Inherent requirements.** A small number of courses require that students, before graduation, are able to demonstrate a range of personal skills and abilities, such as observational, communication, physical, behavioural and social skills. Be sure you are aware of any such requirements for your course.
   - **Assessment methods.** Note that assessment methods commonly used at the University include written assignments, project work, class tests, class presentations, exams, simulation tasks, practical exercises and tutorial participation. See the *Program of Study* page for your course for details of assessment methods used in each topic.

b. Visit our fees page and follow the links to see if any **incidental fees** (additional to your tuition fee) apply to your course.

c. Visit our Review of Student Progress Policy for information on the University's student progress policy and procedures. Note that unless otherwise specified in the Course Rules, satisfactory progress in your course requires that you achieve a grade of Pass or better in all topics.

d. If your course includes compulsory work placements, internships or practicums, visit our student placements page.
   You will find details on any preparation or compliance checks you must complete before you can start a placement. Note that many placement organisations require students to have an Australian driver's licence. Students without a driver's licence have access to a limited range of placements.

If after reading this information you have any questions or concerns, contact Flinders International.

**Step 3: Accept your offer online.**

a. Print and sign a copy of the **Acceptance and Declaration Form** attached to this letter.

b. Upload your signed copy of this form to either the Flinders International Application Portal or the Flinders International Agent Portal. Remember to include any attachments that show you have successfully met any offer conditions outlined in **Section 1** of this letter. If we have asked for financial evidence or a statement addressing the Genuine Temporary Entrant (GTE) requirement, please include this here.

**Step 4: Pay the required deposit.**

After completing your online acceptance, you will be directed to Convera GlobalPay for Students to make your acceptance fee payment. Your acceptance fee payment amount is shown in **Section 1**.

**Step 5: Receive your Confirmation of Enrolment (CoE).**

**Step 6: Apply for your visa.**

Visit the Department of Home Affairs website and use the Visa Finder to find the Australian visa most likely to meet your specific circumstances.

Prepare your visa application, making sure you include all of the necessary documentation. Refer to the documentation checklist. Your visa could be delayed or refused if any documentation is missing.

**Step 7: Once you arrive in Australia, get your Unique Student Identifier.**

When completing your enrolment, you will need to provide your Unique Student Identifier (USI) to Flinders. This is an Australian government requirement for higher education students. Applying for a USI is fast and free, and you keep the same USI for life. Visit the student website for information about how to apply for a USI and provide it to Flinders.

## Section 5: Refund Policy

Our refund policy is detailed in our International Student Tuition Fees Procedures. The circumstances in which we will grant a refund, and the amount granted, are summarised in Attachment 1.

Applicants who are awarded a scholarship will have details included on their Unconditional Offer letter, once copies of qualifications have been received.

**Important Information About Your Conditional Offer**

You have a statutory right to cancel within 14 days of accepting your offer. To exercise this right, you must inform the University of your decision by a clear statement (e.g. an email or a letter). Please refer to clause 3.5 of the terms and conditions for further information on your right to cancel.

This conditional offer provides no guarantee that a CAS will be assigned to you. The University has a limited number of CAS that it can issue and due to UKVI rules that govern its status as a student sponsor, the University will only assign a CAS where it is believed that a subsequent visa application will be successful. Therefore, not withstanding your offer, the University reserves the right to refuse to assign a CAS if there is no more availability or if there are reasonable grounds for suspecting your subsequent visa application will be unsuccessful.

Once you are issued with an unconditional offer, if you are required by UKVI to demonstrate maintenance (evidence to show you have sufficient funds to cover your tuition fees and living costs), you will be required to provide this evidence to the International Admissions and Compliance Team before you will be considered for a CAS. We will only issue your CAS number once we are satisfied with the maintenance documents that you have provided to us. This is for us to determine that you have satisfactory evidence to submit to UKVI as part of your Student Visa application to demonstrate your funds and to mitigate the chance of your visa being refused. Please check tees.ac.uk/international/immigration for guidance on the University's process for assigning a CAS.

**What happens next?**
Login to your applicant portal at: https://e-vision.tees.ac.uk to:

Refer to clause 3.6 of the University's terms and conditions for further information on your right to cancel.

This conditional offer provides no guarantee that a CAS will be assigned to you. The University has a limited number of CAS that it can issue and due to UKVI rules that govern its status as a student sponsor, the University will only assign a CAS where it is believed that a subsequent visa application will be successful. Therefore, notwithstanding your offer, the University reserves the right to refuse to assign a CAS if there is no more availability or if there are reasonable grounds for suspecting your subsequent visa application will be unsuccessful.

If you are required by UKVI to demonstrate maintenance (evidence to show you have sufficient funds to cover your tuition fees and living costs), you will be required to provide this through CAS Shield before you will be considered for a CAS. We will only issue your CAS number once we are satisfied with the maintenance documents that you have provided to us. This is for us to determine that you have satisfactory evidence to submit to UKVI as part of your Student Visa application to demonstrate your funds and to mitigate the chance of your visa being refused. Please check tees.ac.uk/international/immigration for guidance on the University's process for assigning a CAS.

Applicants who are awarded a scholarship will have details included on their Unconditional Offer letter, once copies of qualifications have been received.

**Important Information About Your Conditional Offer**

You have a statutory right to cancel within 14 days of accepting your offer. To exercise this right, you must inform the University of your decision by a clear statement (e.g. an email or a letter). Please refer to clause 3.5 of the terms and conditions for further information on your right to cancel.

This conditional offer provides no guarantee that a CAS will be assigned to you. The University has a limited number of CAS that it can issue and due to UKVI rules that govern its status as a student sponsor, the University will only assign a CAS where it is believed that a subsequent visa application will be successful. Therefore, not withstanding your offer, the University reserves the right to refuse to assign a CAS if there is no more availability or if there are reasonable grounds for suspecting your subsequent visa application will be unsuccessful.

Once you are issued with an unconditional offer, if you are required by UKVI to demonstrate maintenance (evidence to show you have sufficient funds to cover your tuition fees and living costs), you will be required to provide this evidence to the International Admissions and Compliance Team before you will be considered for a CAS. We will only issue your CAS number once we are satisfied with the maintenance documents that you have provided to us. This is for us to determine that you have satisfactory evidence to submit to UKVI as part of your Student Visa application to demonstrate your funds and to mitigate the chance of your visa being refused. Please check tees.ac.uk/international/immigration for guidance on the University's process for assigning a CAS.

**What happens next?**
Login to your applicant portal at: https://e-vision.tees.ac.uk to:
1. Accept your offer

Once you have successfully paid your deposit and confirmed your payment you should begin to make arrangements for your visa application. You can find more information about obtaining your CAS, preparing your financial documents and applying for your visa below.

**Visa application advice**

If you need to apply for a Student visa and require a Confirmation of Acceptance of Studies (CAS), and once you have confirmed your visa requirements, we will contact you with a request for information about your travel plans to the UK. This email will guide you to a mandatory questionnaire where you can tell us about when you intend to arrive in the UK to start your on-campus study. Our Compliance team will then send you further information about when you can receive your CAS and provide you further advice and guidance.

If you have any questions about paying your deposit, please contact the International Team on **international@londonmet.ac.uk** If you have questions about your visa requirements, please contact **adviceinternational@londonmet.ac.uk** We look forward to welcoming you to London Metropolitan University to study with us.

# Refund information

Please note, we will refund the deposit if you withdraw your application before a Confirmation of Acceptance for Studies (CAS) is issued, but we will not be able to refund you under any of the following situations:

1. You withdraw your application after a CAS is issued (before enrolment)
2. Your visa is refused due to failure to meet UKVI requirements (before enrolment)
3. You fail to enrol within the enrolment deadline despite demonstrating a granted visa
4. Your visa is refused (or you're refused enrolment by the University) due to providing fraudulent documentation or misinterpretation of evidence to be admitted onto the course
5. You initiate a withdrawal or interruption from the course (after enrolment)
6. You are terminated as a student by the University (after enrolment)

# Be aware of fraudulent tuition fee messages

## What has been happening

There have been instances occurring where international students are being approached in person or via social media and other channels by individuals offering to pay their university tuition fees for them at a reduced rate if they use a ‘third party facilitator’.

## If you are unsure how to pay

If you are unsure how to pay your London Metropolitan University fees, please contact our internationally recognised income collections team via email at **incomecollection@londonmet.ac.uk**. They will help you to find the best payment method for you and consider your payment options.

You should be aware that students can be put under pressure by fraudsters to reach a quick agreement, such as being told that the ‘exceptional’ exchange rates on offer will expire shortly. In fact, these individuals are taking money from the students and paying their fees using compromised bank card details – which could lead to you having to pay twice.

Please do not ever respond to these offers and always pay any fees directly to the London Metropolitan University by using our authorised payment methods. Paying through our authorised methods is the only way to guarantee your place to study with us and your funds.

## How the fraud is carried out

Scams are predominantly carried out

Scams are predominantly carried out online using large numbers of compromised cards. In many cases students have shared their student ID and their date of birth to allow fraudsters to ‘pay on their behalf’. Please do not share your unique student number, date of birth, or any login details with others.

## How to protect yourself

If an offer sounds too good to be true, it usually is. Fees should always be paid directly by students or their parents to the London Metropolitan University, rather than to a ‘third-party intermediary’. Please report any suspicious approaches to London Metropolitan University and always ask us for advice if you are unsure via **incomecollection@londonmet.ac.uk**

Yours sincerely,

Congratulations; your application has been successful, and you have been made an offer to study **Data Science, MSc** at the University of Greenwich. You will shortly receive a second emailed offer letter, which will include your Applicant ID (beginning in 001). You should use this ID in any future communications with the university in order to help our teams assist you.

Please contact our enquiries team at greenwich@enquiries.uk.com for assistance with any queries about your application to study with us, or talk to your agent.

**Accept your offer by paying your deposit**

To confirm your acceptance, you must pay your pre-registration deposit within 14 days of receiving your offer. If you are being sponsored by a third party, such as your government or employer, a deposit payment is not required, but you must provide proof of sponsorship within the same 14 day period. Requirements for proof of sponsorship can be found here. If you do not accept your offer within 14 days, then we can no longer guarantee your place, and your course may close if it becomes full. If you do not pay within the 14 day period, you should check the Closed Course webpage to check if your course still remains open for deposit payments.

The pre-registration deposit is the first payment of your tuition fees and reduces the amount payable on registration. The University encourages students to make all payments to us using our payment platform, GlobalPay for Students, which allows you to pay fees in your local currency and significantly reduces payment fees charged by your bank. See here under 'International Students' for further details on how to make this payment to us. Please note, you should wait until you have received your Applicant ID number (begins in 001) via email from us before making your payment. For students domiciled in certain countries, we require at least 50% of the remaining funds to be paid pre CAS issuance, see the How to pay your fees page for further details.

Any deposit payments you make to us are subject to our Charging and Refund policies. Regulations on Financial Matters policy. This and all other university policies regarding payment of tuition fees can be found at this link.

Please note, by paying your deposit and therefore accepting your offer, you are agreeing to the University's Terms and Conditions. These should be reviewed prior to accepting your offer. You will be sent full terms and conditions in the offer letter emailed to you directly.

**Visa information**

As an international student, you may require a visa to study with us. It is your responsibility to ensure that you are in possession of a valid visa for studying at the University.

Most students will obtain a visa by applying for a Student visa from the UK Government. In order to apply for this visa, you will require a Confirmation of Acceptance for Study (CAS) number issued by the University of Greenwich. The University will begin the CAS issuance process once you have paid the £3000.00 pre-registration deposit, or have provided proof of sufficient financial sponsorship. You must also complete other pre-CAS issuance checks. More information on the visa requirements can be found here. If you are unsure whether you require a Student visa, please email us at casrequests@gre.ac.uk.

### Adelaide University

We are building a future-focused university with the objective of delivering a nation-leading curriculum and student experience.

The University of Adelaide and the University of South Australia are working together to combine the strengths of the two universities to create Adelaide University from 1 January 2026. The University of Adelaide will continue to operate until the start of 2026. Subject to legal and regulatory approvals, it is proposed that students enrolled before 2026 and who are yet to finish their studies will transition to the new university in 2026, in either their existing or an equivalent program. We are committed to supporting all students through the transition.

Program information will be published as soon as it becomes available. Find out more at www.adelaideuni.edu.au.

### Tuition Fees

The Estimated Annual or Total Tuition Fee is based on the current available year's published program fees at a standard full-time enrolment (24 units per year). The Program Deposit as mentioned within the Acceptance Form will be allocated towards your tuition. Payment in excess of the Acceptance Fee will not be refunded but will remain on your account to be used for future tuition payments. Tuition Fees are reviewed annually and may increase in future years. To confirm the annual tuition fee for future years, refer to Degree Finder at www.adelaide.edu.au/degree-finder six months prior to the commencement of the program. Your tuition fees will be based on your enrolment and the fees set for that year.

The majority of the University's programs are offered in semesters; however, some programs are taught across different teaching periods such as trimesters. Students will be invoiced at the beginning of their teaching periods. The actual tuition fees charged will be based on a student's unit enrolment and the published annual program fees for the year of enrolment. Should a student 'overload' or 'underload', their fees will be increased or decreased accordingly. For example, students enrolled in 12 units will be charged half of the published annual tuition fee for the year of study. Degree Finder contains comprehensive information about your program, for more information, please visit www.adelaide.edu.au/degree-finder.

### Student Services and Amenities Fee (SSAF)

You are required to pay an annual fee for the provision of essential, non- academic services. ## Non-Tuition Fees

You may incur additional costs for items such as field trips, excursions, textbooks, specialist study equipment (e.g. laboratory coats, microscopes), optional supplementary reading and academic program materials, first aid certificates, vaccinations, clearances, library fines and expenses such as thesis preparation, printing and binding. Non-tuition fees vary between programs. For more information, please visit www.adelaide.edu.au/student/finance/other-fees/.

It is a condition of your student visa that you purchase and maintain Overseas Student Health Cover (OSHC) for the duration of your visa for yourself and any dependants. Some exceptions may apply if you are a student from Sweden, Norway, or Belgium. For more information, please visit www.privatehealth.gov.au/health_insurance/overseas/overseas_student_health_cover.htm.

The University can arrange OSHC for you through Medibank, our preferred supplier, who exclusively offer Comprehensive OSHC to their education partners. We are building a future-focused university with the objective of delivering a nation-leading curriculum and student experience.

The University of Adelaide and the University of South Australia are working together to combine the strengths of the two universities to create Adelaide University from 1 January 2026. The University of Adelaide will continue to operate until the start of 2026. Subject to legal and regulatory approvals, it is proposed that students enrolled before 2026 and who are yet to finish their studies will transition to the new university in 2026, in either their existing or an equivalent program. We are committed to supporting all students through the transition.

Program information will be published as soon as it becomes available. Find out more at www.adelaideuni.edu.au.

### Tuition Fees

The Estimated Annual or Total Tuition Fee is based on the current available year's published program fees at a standard full-time enrolment (24 units per year). The Program Deposit as mentioned within the Acceptance Form will be allocated towards your tuition. Payment in excess of the Acceptance Fee will not be refunded but will remain on your account to be used for future tuition payments. Tuition Fees are reviewed annually and may increase in future years. To confirm the annual tuition fee for future years, refer to Degree Finder at www.adelaide.edu.au/degree-finder six months prior to the commencement of the program. Your tuition fees will be based on your enrolment and the fees set for that year.

The majority of the University's programs are offered in semesters; however, some programs are taught across different teaching periods such as trimesters. Students will be invoiced at the beginning of their teaching periods. The actual tuition fees charged will be based on a student's unit enrolment and the published annual program fees for the year of enrolment. Should a student 'overload' or 'underload', their fees will be increased or decreased accordingly. For example, students enrolled in 12 units will be charged half of the published annual tuition fee for the year of study. Degree Finder contains comprehensive information about your program, for more information, please visit www.adelaide.edu.au/degree-finder.

# Refund Information

Student ID: 1963691 | Issue Date: 18 October 2024
Name: Mr Abhiramkrishna Manchikatla

THE UNIVERSITY of ADELAIDE

The University's full Student Fees Refund Policy and Procedures can be viewed here: www.adelaide.edu.au/policies/4343.

Applications for a refund of a credit balance can be submitted via the Refunds webpage: www.adelaide.edu.au/student/finance/refunds.

International coursework students requesting a refund of the Acceptance Fee can request a refund by emailing icteam@adelaide.edu.au.

**Refund Principles**

1. A refund can only occur if a student has a credit balance on their student finance account.
2. Refunds will be processed after all other financial obligations to the University have been discharged, including (but not limited to) library fines, student loans, and accommodation charges.
3. Refund payments are normally made directly into a bank account, unless paid by credit / debit card. Bank details may be required, even if the refund is to the original credit / debit card, to ensure payment can be finalised.
4. All refunds are made in Australian dollars and are payable to the student's nominated account, with the following exceptions:
    a. The student is supported by a recognised third-party sponsor and that sponsor is entitled to the refund (as per the Education Services for Overseas Students (ESOS) Act, s.47D(3)(b)).
    b. In the event a country is subject to financial sanctions, refunds cannot be paid to a bank in a sanctioned country.
    c. If the original payment was made by credit / debit card via BPOINT, the refund will be processed back to the original credit / debit card. The merchant surcharge fee will also be refunded unless a partial refund is being made, in which case the surcharge fee will not be refunded.
    d. If the original payment was made via Flywire, the refund will go back to the original bank account, credit/debit card.
5. When a refund is payable, and the applicable refund form has been completed, and all requested information and documentation relating to the refund has been provided, the refund will be processed under normal circumstances within 28 days of the receipt of all required information by the University except where:
    a. the University was unable to provide the program offered at any time on or after the agreed start date, the refund will be processed within 14 days.
    b. receipt of payments to overseas bank accounts incurs delays that are outside of the University's control.

2. 3. Refund of tuition fees paid less 10% of the First Tuition Payment if:
    a. Student gives written notice to the University of their decision to request a refund and withdraw from their Program at least four (4) weeks before the commencement of their First Teaching Period **; or
    b. University withdraws Offer of Admission based on incorrect and/or incomplete information provided by the applicant or their agent; or

This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.

**Tuition Protection Service**

In the unlikely event that the University is no longer able to deliver a program to you, for which you have accepted and paid, at the location and start date agreed to in your Offer of Admission, or the program ceases to be available after you have commenced, the University will either offer you an alternative program in writing or pay you a refund of any unspent tuition fees. THE UNIVERSITY of ADELAIDE

## Adelaide University

We are building a future-focused university with the objective of delivering a nation-leading curriculum and student experience.

The University of Adelaide and the University of South Australia are working together to combine the strengths of the two universities to create Adelaide University from 1 January 2026. The University of Adelaide will continue to operate until the start of 2026. Subject to legal and regulatory approvals, it is proposed that students enrolled before 2026 and who are yet to finish their studies will transition to the new university in 2026, in either their existing or an equivalent program. We are committed to supporting all students through the transition.

Program information will be published as soon as it becomes available. Find out more at www.adelaideuni.edu.au.

## Tuition Fees

The Estimated Annual or Total Tuition Fee is based on the current available year's published program fees at a standard full-time enrolment (24 units per year). The Program Deposit as mentioned within the Acceptance Form will be allocated towards your tuition. Payment in excess of the Acceptance Fee will not be refunded but will remain on your account to be used for future tuition payments. Tuition Fees are reviewed annually and may increase in future years. To confirm the annual tuition fee for future years, refer to Degree Finder at www.adelaide.edu.au/degree-finder six months prior to the commencement of the program. Your tuition fees will be based on your enrolment and the fees set for that year.

The majority of the University's programs are offered in semesters; however, some programs are taught across different teaching periods such as trimesters. Students will be invoiced at the beginning of their teaching periods. The actual tuition fees charged will be based on a student's unit enrolment and the published annual program fees for the year of enrolment. Should a student 'overload' or 'underload', their fees will be increased or decreased accordingly. For example, students enrolled in 12 units will be charged half of the published annual tuition fee for the year of study. Degree Finder contains comprehensive information about your program, for more information, please visit www.adelaide.edu.au/degree-finder.

## Student Services and Amenities Fee (SSAF)

You are required to pay an annual fee for the provision of essential, non- academic services. For more information, please visit www.adelaide.edu.au/student/finance/student-services-and-amenities-fee. The 2025 fee is $365 based on full-time enrolment and is subject to annual increases. Students will be invoiced for this fee separately, after commencing in their program.

## Non-Tuition Fees

You may incur additional costs for items such as field trips, excursions, textbooks, specialist study equipment (e.g. laboratory coats, microscopes), optional supplementary reading and academic program materials, first aid certificates, vaccinations, clearances, library fines and expenses such as thesis preparation, printing and binding. Non-tuition fees vary between programs. For more information, please visit www.adelaide.edu.au/student/finance/other-fees/.

## Overseas Student Health Cover (OSHC)

It is a condition of your student visa that you purchase and maintain Overseas Student Health Cover (OSHC) for the duration of your visa for yourself and any dependants. Some exceptions may apply if you are a student from Sweden, Norway, or Belgium. For more information, please visit www.privatehealth.gov.au/health_insurance/overseas/overseas_student_health_cover.htm.

The University can arrange OSHC for you through Medibank, our preferred supplier, who exclusively offer Comprehensive OSHC to their education partners. Medibank Comprehensive is not available directly and can only be purchased through the University of Adelaide. It meets the student visa requirements for all course types and provides a range of added value services above government minimum requirements. For more information, please visit www.medibank.com.au/overseas-health-insurance/oshc/comprehensive-oshc.

The OSHC fee quoted in this Offer of Admission is accurate at the date of issue but is subject to change. The University reserves the right to adjust the OSHC fees in accordance with Medibank's policies and you may be invoiced if there is a difference. You do not have to arrange OSHC through the University you can choose to arrange your own policy directly with an OSHC provider of your choice.

If you want your previous studies to be considered for credit, you can apply now before accepting your Offer of Admission.
