

Department of B. Com International Finance

The Undergraduate Program in Commerce Integrated with ACCA Curriculum

“OUT OF 13 PAPERS FROM ACCA, B. COM INTERNATIONAL FINANCE HAS RECEIVED 7 PAPER EXEMPTIONS AND THE COURSE IS STRUCTURED ACCORDING TO THE ACCA GUIDELINES”

International finance

The B.Com International Accounting & Finance Department, established in 2016, is integrated with the ACCA syllabus, offering paper exemptions toward ACCA qualification. This program provides in-depth knowledge in Accounting, Taxation, Law, and Finance, enabling students to pursue ACCA alongside their undergraduate studies. With a strong industry-oriented curriculum, it equips students with essential skills for global business environments. Graduates have secured placements in top firms like JP Morgan, Deloitte, and Wipro, reflecting the program's excellence and career prospects.

Programme

The B.Com in International Finance, integrated with ACCA-UK, offers a global business perspective and access to ACCA accreditation. This program equips students with advanced knowledge in Taxation, Corporate Reporting, IFRS, Audit & Assurance, Sustainable Management Accounting, Financial Management, and other key regulatory frameworks, preparing them for dynamic roles in the financial sector, along with industry expert guest lectures sessions.

What's unique in Loyola's International finance

ACCA is a globally recognized and highly valued qualification, known for its industry relevance and flexibility. With multiple entry points, study methods, and on-the-job training options, it caters to diverse learning needs. Supported by 104 offices worldwide, ACCA ensures strong global recognition and career opportunities across multinational companies. Whether in accounting, auditing, or financial management, ACCA equips professionals with the expertise to excel in the global finance industry.
