MINUTES OF THE MEETING OF THE BOARD OF STUDIES OF THE DEPARTMENT OF CHEMICAL TECHNOLOGY HELD ON 23-04-2021.

The meeting of The Board of Studies of the Department of Chemical Technology was held on 23-04-2021,Monday at 10:30 AM onwards in Board Room at Loyola Academy premises in which following members were present.

Sl No	Name	
1	Rev. Fr. Dr. Anthony SJ	Principal Loyola Academy
2	Rev. Fr. K. Anil Kumar SJ	Vice Principal Loyola Academy
3	Prof. M. Rajam	Chairperson, Board of Studies in Chemical Technology. Osmania University (University Nominee)
4	ER. Depankar	Assistant Professor, Jawaharlal Nehru Technological University, Hyderabad, (Subject Expert from other University)
5	ER.Bandary Balraj	Assistant Manager Saptagir Labs (Industry Expert)
6	DR.K.Rama	Dean of Academics, Loyola Academy
7	DR. K. Krishna Mohan	Dean of Science, Loyola Academy
8	ER. P.V.R.S.Prasad	HOD, Asst Prof in Chemical Engineering
9	Mr. Nithyanand Ghosh	Asst Prof in Physics
10	Mr. P.Sudhakar Reddy	Asst Prof in Chemistry
11	DR. Zakir Hussain	Asst Prof in Chemical Technology
12	DR. Amaladass	Asst Prof in Chemistry
12	Mrs. Roopa Rani	Asst Prof in Mathematics
13	ER. Bijoy Kumar P	Asst Prof in Chemical Technology

The meeting started with welcome address by Rev. Fr. Dr. P. Anthony SJ, Principal; followed by briefing of previous academic year minutes of the Board of Studies Meeting, by Er.P.V.R.S.Prasad, Head of the Department of Chemical Technology.

No discussion was there on the above topic by the members present.

Agenda 3.
Introduction of Pyrolysis & Cracking in Unit-I of Chemical Technology-III (V^{th} SEM).

Discussion:
ER.P.V.R.S.Prasad, Assistant Professor in Chemical Engineering (who teaches Chemical Technology – III theory paper) explained to the members about the importance of the topics Pyrolysis & Cracking for B.Sc. Chemical Technology Students and justified its addition in Chemical Technology – III theory paper.

Outcome of the Board of Studies Meeting:
The members unanimously accepted the proposal after through verification of the required and submitted syllabus copies of both existing and proposed.

Agenda 4.
Conducting of Add-on course "Solar Energy and its Application" for students Admitted during the academic year 2020-2021in third semester. The number of Dedicated teaching hours including practical is twenty hours.
Non-CGPA examination will be conducted.

Discussion:
ER.P.V.R.S.Prasad, Assistant Professor in Chemical Engineering (who was allotted to teach Add-on course "Solar Energy and its Application") explained to the members that due to COVID – 19 pandemic situation very few regular classes were conducted due to which allotment of Add – on course was not done due to time constrain . As soon as the normal situation prevails Add – on course will be taught in the third semester for the students admitted during the academic year 2020 -2021.

Outcome of the Board of Studies Meeting:
The members unanimously accepted the explanation in defense.

Agenda 5.
Mrs. B. Lalitha Kumari retired from her aided services on 31-01-2021, the vacancy Raised due to her retirement has to filled up Loyola Academy Management in Un- Aided category as there is no Aided recruitment.

Discussion:
ER. Bijoy Kumar P was introduced to the members.
Who was already recruited by the Management of Loyola Academy with immediate effect.

Outcome of the Board of Studies Meeting:
The members were satisfied by the timely decision taken by the Management of Loyola Academy.

Agenda 6.
The admission strength / ceiling strength for the B.Sc. (Chemical Technology) will be 45 for the academic year 2021-2022.

Discussion:
It was a just a formal information as a part routine academic procedure.

Outcome of the Board of Studies Meeting:
No issues were raised by the members present.

Agenda7.

Proposed budget is Rs. 34207.00 (Thirty four thousand two hundred and seven rupees Only).

Discussion:
It was a just a formal information as a part routine academic procedure.

Outcome of the Board of Studies Meeting:
No issues were raised by the members present.

Agenda 8.
It was proposed to subscribe Chemical Engineering Journal for the Academic Year 2021-2022

Discussion:
It was a just a formal information as a part routine academic procedure.

Outcome of the Board of Studies Meeting:
No issues were raised by the members present.

Agenda 9.
It was proposed to replace old ball mill equipment with new one.
Proposed budget is Rs.10000 (Ten thousand only).

Discussion:
It was a just a formal information as a part routine academic procedure.

Outcome of the Board of Studies Meeting:
No issues were raised by the members present.

Agenda 10.
It was proposed to offer NPTEL courses as Disciple Specific Elective from the Academic year 2021-2022.

Discussion:
It was appreciated by the members present about the agenda 10, it was informed to the members that the selection of courses will be done by students in consultation with the concerned Assistant Professor in Chemical Engineering/ Technology as Disciple Specific Elective is offered only in Chemical Engineering Domain. It was also informed to the members that the Department of Chemical Technology has right to with draw Agenda 10 if any technical issues arises which are complicated to solve instantaneously.

Outcome of the Board of Studies Meeting:
The members present were satisfied by the discussion.

Agenda 11.
As per the need based requirements consumables for the laboratories under the Department of Chemical Technology will be purchased after through scrutiny by Head of the Department / Dean of Science / Vice-Principal / Principal.

Discussion:
It was a just a formal information as a part routine academic procedure.

Outcome of the Board of Studies Meeting:
No issues were raised by the members present.

Agenda 12.
Depending upon the relaxation of pandemic situation outdoor departmental Activities like Lab-To-School, Industrial Training/Project, and Industry visit will be Conducted by fulfilling all due and necessary formalities.

Discussion:
It was a just a formal information as a part routine academic procedure.

Outcome of the Board of Studies Meeting:
No issues were raised by the members present.

Agenda 12.

AGENDA

1. Welcome address by Principal
2. Background information:
   - i) Approved the syllabus for M.Sc. Organic Chemistry –I Year (2020-21) for batch 2020-2022 and II Year (2020-21) under CBCS scheme for batch 2019-2021
   - ii) Self-Study for M.Sc. First year "A Brief Review of Basic Concepts of Chemistry" implemented successfully.
   - iii) Need to improve language skills of students taken up successfully,
   - iv) Non CGPA credit for MOOC course will be implemented this academic year 2021-22
   - v) 'LMS' use is being implemented.
   - vi) For slow learner we are conducting remedial classes and for advanced learners we are conducting special classes for appearing competitive examinations
   - vii) To enhance the research activity in the department:
     a) Last year we applied for the research centre under Osmania University.
     b) Two faculty members Dr. P. Thirupathi and Dr. Sonika Sharma received research guide ships from OU
     c) The faculties were ready to do in-house projects in the department.

viii) Departmental extension programme “Lab to School” to be implemented this academic year 2021-22

ix) Faculty members were actively participated in the Faculty Development Programmes organized by various national institutions.

3. To approve the syllabus for M.Sc. Organic Chemistry –II Year (2021-22) for batch 2020-2022
4. To discuss on the proposal of reviving M.Sc. Analytical chemistry
5. To discuss the budget for M.Sc. Organic Chemistry and M.Sc. Analytical chemistry

The online Board of Studies meeting of M.Sc. Organic Chemistry was held on 24 April 2021 at 3:00 PM through zoom platform.

After through discussion the following resolutions were made regarding second year syllabus

Theory:

1. To introduce Bignelli Reaction, Hantsch synthesis of pyridine & piperidine and RCM Metathesis in Unit-03: New synthetic reactions of Organic Chemistry-V paper in the III semester
2. To shift of Advanced Natural Products (DSE-IIA) in the present IV semester to III semester and rename it as DSE-1B.
3. To shift of Green Chemistry (DSE-IB) in the present III semester to IV semester and rename it as DSE-IIA.
4. To update Green Chemistry (DSE-IIA) syllabus by replacing units- Introduction to Green Chemistry and Ionic liquids and polymer supported reagents in organic synthesis with units- Organic transformations using water and ionic liquids and Organic transformations using solid support respectively.

Practicals:

5. To introduce a new experiment Greener Biginelli reaction by using Microwave or Ultra sonication in Organic Chemistry-III Practical of Semester-III.

The following resolutions were made:

1. It was resolved to modify the content of "Technical Seminar and Reporting Writing" by including latest papers of IEEE / ACM / SPRINGER / Elsevier / IET for student presentations and report writing.
2. It was resolved to modify the syllabus of subject "Mathematics for Data Science" by including topics of matrices singular value decomposition method and textbook for matrix theory by Richard Bellman.
3. It was resolved to modify the entire syllabus of "Artificial Intelligence" with basic concepts of AI.
    - Unit-I Introduction to AI
    - Unit-II Knowledge representations and reasons
    - Unit-III Searching concepts
    - Unit-IV Constrain satisfaction problems
    - Unit-V Planning
4. It was resolved to modify the syllabus of subject "Statistics and Probability"
    - Mentioned to remove units – I and II.
    - Include only the topics of moments, skewness, and kurtosis.
    - To include the theorems of Boole's inequality and Bayes' theorem.
    - To include Geometric, Negative Binomial distributions in discrete distributions.
    - To include Beta, gamma, and Pareto distributions in continuous distributions.
    - To remove the book titled Fundamentals of Mathematical Statistics by S.C. Gupta and V.K. Kapoor.
5. It was resolved to modify the syllabus of "Advanced Databases" by combining unit-I and unit-II with basic concepts and by rearranging unit -III and unit-IV, include NoSQL in unit-IV and unit-V.
6. It was resolved to modify the syllabus of "Python for Data Science Lab" by including GUI and regular Expression packages.
7. It was resolved to modify the syllabus of" Data security and privacy" by including topics of web security and Intrusion detection systems.
8. It was resolved to modify the syllabus of" Time Series & Forecasting Techniques"
    - To include SARIMA model in linear time series models.
    - Also, to include AIC, BIC and RMSE to test SARIMA models.
    - To include ARCH and GARCH modelling techniques under non – linear models.
    - To remove the book titled Fundamentals of Mathematical Statistics by S.C. Gupta and V.K. Kapoor.
9. It was resolved to modify the syllabus of" Regression Analysis & Statistical Inference"
    - To change the order of units as IV to I, V to II, I to III, II to IV, III to V
    - To include the topics Logistic and Multiple logistic regression in unit II.
    - To include paired t – test and ANOVA one way and two - way classification under F- test.
    - To include chi – square test for single variance.
    - To include the topics of Z – test for single sample and two samples (in case of proportion, mean and standard deviation).
    - To include the Book titled Applied Regression Analysis by Draper and Smith.

CHAIRMAN
Board of Studies in CSE
Dept. of Computer Science & Engg.
College Of Engg., O.U. Hyderabad.

10. It was resolved to modify the syllabus of" Data Mining" by including and rearranging Units as
    - Unit-I Introduction to Data Mining and Preprocessing
    - Unit-II Concepts of architecture of data warehouse
    - Unit-III Patterns, Associations and Correlations and Frequent Pattern and Association Mining
    - Unit-IV Classification
    - Unit-V Clustering Analysis
11. It was resolved to modify the syllabus of" Machine Learning" by including the topic of multi-dimensional scaling.
12. It was resolved to modify the syllabus of" Data Analytics Lab" by including the topic ANOVA one – way and two – way classification of data.
13. It was resolved to modify the syllabus of" Machine Learning Lab" by including Support Vector Machine Algorithm implementation.
14. **Recruitment of Lecturers:**
    Number of Lecturers required – 2

15. **Budget for the library books:**

    Amount for library books for the academic year 2020-21: Rs 50000

16. **Classroom and Lab Requirements:**

    Number of Systems with high configuration - 40 (i7 processor, 8*2 =16GB RAM)
    - 2 projectors (1 for lab, 1 for classroom)

The Above resolution were unanimously approved at the meeting.

concepts of stationarity, auto covariance, autocorrelation.

UNIT-1 12Hrs

Introduction to Time Series Analysis:

- Definition, Components of time series. Mathematical models of time series. Uses. 2
- Measurement of trend by graphical method, method of semi – averages, Moving averages method. 4
- Curve fitting by the principle of least squares (straight line, parabola and exponential). 6

UNIT- 2 12Hrs

- **Growth Models:** Modified Exponential curve, Gompertz curve, Logistic curve and their fitting. 6
- **Measurement of Seasonal Variations:** Method of seasonal averages, Ratio to trend, Ratio to moving averages, link relative method. 4
- Deseasonalisation of data. 2

UNIT- 3 12Hrs

- **Measurement of cyclic Variations:** Harmonic analysis, Auto – regression Series – Markoff and Yule's series. 2
- Periodogram and correlogram analysis. 2
- **Measurement of irregular Component:** Variate difference method. 3
